## PRINCIPAL'S ADDRESS

---

Sri Venkateswara College proudly marks 63 years of academic excellence. Home to more than 4000 students and 300 teaching and non-teaching members, our college offers a wide array of programs spanning the arts, sciences, and commerce. Fondly called 'Venky', it is known for its dynamic campus environment and esteemed alumni, nurturing holistic growth of students, and preparing them for a global future. As we celebrate the college's remarkable journey, it is with great pride that I, present the Annual Report for the academic year 2024-2025.

This year our college was 8<sup>th</sup> among the 26 colleges selected for showcasing the essence of Delhi University at its valedictory centenary ceremony graced by the Honourable Prime Minister, Shri Narendra Modi. For its academic excellence, Sri Venkateswara College was ranked 21<sup>st</sup> in the National Institutional Ranking Framework (NIRF) 2023 by the Ministry of Education. Additionally, India Today ranked it 10<sup>th</sup> for science, 12<sup>th</sup> for Humanities, and 13<sup>th</sup> for Commerce among all Indian colleges. The college continues to be one of the top choices for students pursuing higher education in these fields, thanks to its academic excellence and active placement cell. In the Outlook-I-Care Rankings 2023, our college was ranked 6<sup>th</sup> in Arts out of top 120 colleges in India, 9<sup>th</sup> in science, and 12<sup>th</sup> in Commerce on an All-India basis.

Apart from academic excellence, Sri Venkateswara College has been active in promoting sustainability initiatives on campus. The college's sustainability efforts align with environmental stewardship, awareness, and practical implementation of eco-friendly measures. SVC has invested in solar energy to reduce its carbon footprint. Solar panels have been installed on campus to harness renewable energy and make the institution more self-sustaining. To conserve water, the college has implemented rainwater harvesting systems, contributing to water sustainability in an urban environment. The campus promotes green landscaping with well-maintained gardens and tree plantation drives. This also helps in promoting biodiversity within the campus. Waste segregation at the source is encouraged, with an emphasis on recycling paper, plastic, and other materials. The college also runs awareness campaigns about the importance of reducing, reusing, and recycling. By integrating these efforts into both campus management and the academic experience, Sri Venkateswara College sets a strong example of how educational institutions can contribute to a sustainable future. Several societies and departments conducted events to foster love and respect for the environment. A workshop was conducted by Eco club and IQAC on the 'Maintenance of Rainwater Harvesting System' by Vimal V Bealni, an expert from the Ministry of Jal Shakti. The Model United Nations & Global Affairs Society, in collaboration with Principia, the Physics Society of our college, organized a one-day simulation Programme Advancing Disruptive Science for Climate Conservation with special reference to 2030 Agenda for Sustainable Development. The Eco Club and IQAC in association with Eco Prabandhan and Municipal Corporation of Delhi conducted a workshop on Waste Management. The club also organised a Green School Initiative in association with AIIMS at Navyug School, Sarojini Nagar. The National Service Scheme of Sri Venkateswara College organised "Ek Tareekh Ek Ghanta" cleanliness drive this year. The college also organized plantation drives across the campus to create a green, bio-diverse environment.

The college celebrated Yoga Day by showcasing the transformative power of yoga in fostering global unity and harmonious coexistence aligning with the theme of *'Yoga for Vasudhaiva Kutumbkam'*. In collaboration with The Art of Living and Har Ghar Dhyan yojna, we organised "Meditation for Happy Life" to equip our students to cultivate inner peace, clarity, and balance. Working with the idea of healthy mind, healthy body, the IQAC organised a workshop on *'Nutrition and Weight Loss'* by Dr. Shikha Singh, India's leading clinical nutritionist; and Evolvere, the Zoological Society, organized a free health check-up camp in association with Primus Hospital.

This year too our students have performed exceptionally well in extracurricular activities. We are proud of their talent and strive to be a nurturing space for them to excel in all fields. I congratulate Supriyo Das of B.Sc. (Hons) Botany for winning the second-best prize in 20<sup>th</sup> Delhi International Open Grandmaster's Chess Tournament 2023. It is a matter of great pride that Alaap -- the Indian Music Society of Sri Venkateswara College, was invited to perform an Indian Classical Music recital at the DRDO Director's Conclave to showcase India's rich cultural heritage.

The faculty of the institution work hard to uphold the rich legacy of the founders and three visionaries, Smt. Durgabai Deshmukh, Shri K.L. Rao, and Shri C. Anna Rao, in academic and research endeavours, nurturing critical thinking among students. I congratulate Dr. Madhu Raina for receiving the 'Best Oral Presentation Award' during a national conference on "Advances in Plant Biology (APB 2024): Innovations and Strategies for Sustainable Agricultural Productivity For Viksit Bharat@2047". Dr. K. Prasad, Department. of Botany was selected for the prestigious Biodiversity Conserver Award by the Andhra Pradesh State Biodiversity Board, Government of Andhra Pradesh. दिल्ली विश्वविद्यालय, दक्षिण परिसर में स्थित श्री वेंकटेश्वर महाविद्यालय की स्थापना वर्ष 1961 में महान शिक्षाविद्, सामाजिक कार्यकर्ता तथा स्वाधीनता संग्राम की मशाल वाहिका श्रीमती दुर्गाबाई देशमुख की दूरदर्शिता और समाज सेवा के दायित्व बोध का शुभ फल है। यहाँ का हिन्दी विभाग प्रारम्भ से ही इस विश्वविद्यालय के मेरुदंड के समान न केवल हिंदी भाषा शिक्षण, अपितु विद्यार्थियों के सर्वतोन्मुखी विकास तथा महाविद्यालय को जीवन मूल्यों की एक सशक्त समृद्ध पाठशाला बनाने में आद्योपान्त समर्पित रहा है। परिणामस्वरूप उत्तरोत्तर लोकप्रियता के स्वर्णिम शिखरों पर आरूढ़ होते हुए प्रारंभ में मात्र पाँच शिक्षकों तक सीमित यह विभाग 1991 में हिंदी ऑनर्स की प्रस्तावना के साथ आज ग्यारह शिक्षकों से सुशोभित है। स्वर्गीय डॉक्टर नरेन्द्र कुमार, स्वर्गीय डॉक्टर हीरा वल्लभ तिवारी, डॉक्टर तिलक सिंह यादव, डॉक्टर हरि प्रसाद वर्मा, डॉक्टर रमेश कुमार जैन के सबल नेतृत्व में श्री वेंकटेश्वर महाविद्यालय प्रशासनिक दक्षता, निगमित विकास और न केवल हिंदी अपितु कला, वाणिज्य तथा विज्ञान संकायों के सुव्यवस्थित संवर्धन में निस्वार्थ सहयोग देता रहा है।

### Physics - Teacher in Charge: Dr. Pratima Vyas

The Department of Physics in Sri Venkateswara College, University of Delhi was established in 1973. The department was set up essentially to teach additional physics in the B.Sc. General Group B course. In 1984 the college started the B.Sc. (General) Group A with Electronics specialization course which was to be mainly run by the Department of Physics. The enormous success of this course led to the introduction of the B.Sc. (Honours) Electronics course in 1987 and the Physics Department which had to run this course was quite aptly renamed by the college as the Department of Physics & Electronics.

Over the years, the Physics Department has evolved significantly, embracing a holistic approach to education that integrates theoretical knowledge with practical application.
