**BRIEF INFORMATION ABOUT THE ACTIVITY**

<b>TOPIC/SUBJECT OF THE ACTIVITY</b>	<b>Jashn-e-Rasayan: The Annual Fest and Speaker Session on Sustainable Chemistry</b>
<b>OBJECTIVES</b>	The objectives of the annual fest were as follows: <ul style="list-style-type: none"><li>• Promoting awareness and interest in Chemistry</li><li>• Inspire students to take a career in science and Chemistry</li><li>• Promoting creativity and innovation through fun and engaging activities</li><li>• Embodying the spirit of learning and teamwork between teachers and students both on and off field</li><li>• Forging a path towards a greener future through mindful practices</li></ul>
<b>METHODOLOGY</b>	Jashn-e-Rasayan embraced creativity and innovation through its signature events AD-MAD and MAD SCIENTIST. Participants unleashed their imagination to create hilarious advertisements related to chemical products and engaged in imaginative experiments and demonstrations in order to showcase unconventional side of science. Speaker session on Sustainable Chemistry paved a way for a self-reliant Bharat whereas a friendly Cricket Match between students and teachers paved the spirit of learning and teamwork both on and off the field.
<b>INVITED SPEAKERS WITH AFFILIATION DETAILS ( IF ANY)</b>	1. Prof. Sreedevi Upadhyayula, IIT Delhi

<b>OUTCOMES</b>	Students learnt valuable lessons from various events which gave them an opportunity to unleash their creativity, learning to think outside the box and innovate. It served as a platform for holistic learning, empowering students with not just academic knowledge but also essential life skills and experiences. It offered fun and enjoyable experience for all participants creating lasting memories and fostering a positive attitude towards chemistry.

# REPORT

**RASAGYA, The Chemical Society**, of Sri Venkateswara College organised its annual fest, "**Jashn-e-Rasayan**", unfolded over two vibrant days, from 18.04.24 to 19.04.24, showcasing the enthusiasm and creativity of its members. With a lineup of seven captivating events, the fest was a celebration of chemistry in its myriad forms.

## Chem Quiz

On the first day, the fest kicked off with an intellectually stimulating Chem Quiz, where participants showcased their knowledge. As questions flew like molecules in motion, participants showcased their mastery of the elements, demonstrating deep understanding of the science that binds our world together. The atmosphere was charged with excitement as teams competed for the coveted title of quiz champions.

## Departmental Cricket Match

Following the Chem Quiz, the atmosphere shifted gears as it was time for a friendly Cricket Match between students and teachers. The traditional rivalry between students and teachers found expression on the cricket field, where both sides battled it out in a spirited match. Laughter and camaraderie filled the air as players displayed their sporting prowess, fostering a sense of unity among all participants and students emerged victorious.

## Speaker Session on Sustainable Chemistry by Prof. Sreedevi Upadhyayula (IIT Delhi)

As the dawn of the second day illuminated the horizon, minds converged once again, this time in pursuit of a vision for a more sustainable future. The Speaker Session on Sustainable Chemistry served as a beacon of enlightenment, illuminating pathways toward a self-reliant Bharat. Prof. Sreedevi Upadhyayula (IIT Delhi) shared insights and strategies, igniting a flame of innovation and stewardship that would guide us towards a greener, more resilient tomorrow.

## Mad Scientist Playground

With curiosity as their compass and imagination as their fuel, participants delved into the world of experimentation at the Mad Scientist Playground. Here, the ordinary gave way to the extraordinary as dazzling reactions captivated the senses. It offered a hands-on environment where participants were engaged in various experiments, demonstrations and activities related to chemistry in a fun and educational way.

## Ad-Mad

From the laboratory to the limelight, participants transitioned seamlessly into the Ad-Mad competition, where creativity knew no bounds. From quirky jingles to captivating visuals, each ad left a lasting impression, demonstrating the power of effective communication in the world of chemistry. The event provided participants with a platform to unleash their creativity and marketing skills as they crafted captivating advertisements for chemical products.

## Treasure Hunt, DJ and Paper Fold Dance

Amidst all the creativity, the Treasure Hunt added an element of adventure to the fest, as participants embarked on a thrilling quest to uncover hidden treasures scattered throughout the campus. As the sun dipped below the horizon, the campus came alive with the rhythmic beats of the DJ at the Paper Fold Dance event. Participants transformed simple sheets of paper into expressions of movement and grace. Amidst laughter and cheers, the dance floor became a canvas of creativity, a celebration of spontaneity and joy.

With the prize distribution ceremony, Jashn-e-Rasayan'24 came to a close, leaving behind a tapestry of experiences and a renewed appreciation for the wonders of chemistry. As participants dispersed, carrying with them the spirit of discovery and celebration, they embarked on their own journeys, each step guided by the light of knowledge and the promise of a brighter future.
