**REPORT**

Towards environmental conservation and enhancing the cleanliness of Sanjay Van was taken through a mega cleanliness drive, organized by "There is no Earth B" and Eco Club Sri Venkateswara College on 19th March 2023, Sunday at Sanjay Van, Delhi. Around 26 students of SVC accompanied by Dr. Pankaj Kumar, actively participated in this initiative.

The primary objective of the drive was the removal of non-biodegradable waste from the park, aligning with goals related to waste disposal, plastic waste management, and sanitation. Reusable gloves, sacks, and ploughing sticks were distributed to facilitate effective waste collection and maintain a sustainable approach.

The participation of over 100 volunteers from various colleges, including SVC, played a vital role in the event's success. An impressive 285.5 kg of plastic waste was successfully removed from Sanjay Van, significantly contributing to the event's overall impact.

This impactful event has spurred enthusiasm within the Eco Club of SVC to organize more such initiatives in the future, reinforcing the commitment to environmental stewardship and sustainable practices.

Hello Eco Club SVC,

We hope you are doing well. This is in context of the communication with Sachi that I invite you for a collaboration with There Is No Earth B for a mega clean-up drive at Sanjay Van on 19th March 2023.

There Is No Earth B (TINEB) meticulously curates clean-ups prioritising the health of our volunteers. With the help of 13,000 volunteers and 351 clean-up drives spread across India we have removed over 24,000+ kgs of non-biodegradable waste from environmentally sensitive places. Some of the cities where clean-ups were conducted include New Delhi, Gurgaon, Noida, Goa, Chandigarh, Lucknow, Bangalore, Andamans, and various towns in Uttarakhand.

 

26th January 2023, Yamuna River Front  
Forest

12th February 2023, Central Ridge
