REPORT- Movie Screening

Event Summary

Movie Screening:

The Department of Political Science, Sri Venkateswara College organized a movie screening session of (Article 15) for the students of all departments to give them clarity on the disparities and divisions that still exist in the rural part of India in the context of Caste, Class, and Gender and the level to which it could vary. The session was done under the presence of Prof. Ashish Kumar Thakur. The session aimed to clarify the conception of the discrimination that happens based on Caste, Class, and Gender and how an individual could take steps not to be a part of

the prejudice that exists in the periphery part of our society. The session saw huge participation from the students of different departments who clarified their views and received a deeper understanding of how discrimination based on caste, class, and gender affects society and any particular section of it. The session received appreciation from the students as it helped them gain a wider perspective on the notion of discrimination and how it exists in different sections of society.
