- Superb performance by everyone. We enjoyed a lot.
- It was a very good event and we got chance to burst some stress after mid sem exams.
- All players well played and thankyou to management's members who did work hard for run all the games. My opinion is that within a month again conduct the game, if it is possible
- It was a nice and fun event. Although the planning for how much time is ro be fiven to a particular sport could be better.
- Though it was 1st Edition but, It was nicely organised and all the members of the sports event has done well. It was Great experience.
- It was really great, the sports meet actually helped all of us to make closer ties with our juniors, I would specifically appreciate the second years for conducting all the events smoothly and taking the sports meet seriously, All the association members did a great job, Active participation by each and every one made the event successful and a memorable one looking forward with many more such events.
- It was really good but the time should be extended more for the smooth conduction of all games.
- It was all good
- Great initiative. The way the games were conducted were smooth. Would love to see more of this.
- I personally loved the enthusiasm of participants, the referees, the audience, the love and dedication that people had for the game and the motive of uniting the students from all three years for team sports was fulfilled
