REPORT

On September 26, 2023, Brainiacs, the data science hub of Sri Venkateswara College, organized a seminar on the topic "Decoding UPSC with Data". The event was graced by Mrs. Shruti Panchal, SDM Gujarat, who ranked ninth in the GPSC examination. It took place in room number 158 at 10:00 AM. A large number of college students actively participated. The event brought together aspiring civil service candidates and data enthusiasts to explore the role of data in the UPSC examination. It served as a platform for participants to gain insights into the evolving landscape of the UPSC examination and its intersection with data-driven approaches. Mrs Panchal emphasized the importance of data-driven decision-making in administrative roles and how it aligns with the UPSC's evolving requirements. The event featured engaging panel discussions, and participants actively engaged in Q&A sessions with the speaker throughout the event. It was a huge success and ended on a happy note.
