Report

The Hana Scholarship Award is a program sponsored by Hana Bank, Republic of Korea, aimed at supporting students who are meritorious but have financial difficulties. Freeship and Students Aid Fund Committee had played a crucial and important role in initial scrutiny of the applications from Sri Venkateswara College. The award ceremony was hosted by our college on 16th January where 60 students of Delhi University were presented the award. Sri Venkateswara College was awarded the highest number of scholarships - 17 in number. The occasion was graced by Mr Young Ju Lee, GM Hana Bank, Prof Amarjeeva Lochan, Dean FSR, along with Principals and Vice Principals of some other colleges. The Vice Principal, Bursar and Freeship Committee members were also part of the event. The event was covered by Dainik Jagran and Amar Ujala newspapers. The event is another initiative of the college which highlights the dedication of the college to support its students and facilitate them in their academic endeavours.

FEEDBACK RESPONSE OF STUDENTS

- Students felt application process was moderate, not difficult.
- Response of various students on how HANA Scholarship is going to help them are mentioned below.

How HANA Scholarship is going to help you (max 200 words)?

It is going to afford my living costs of almost five months or I can get help with this to afford a coaching institution.

I bought a laptop for study because I am preparing for competitive exam and purchased online course so now I easily study and watch the videos.

Haan scholarship is a financial as well as motivating aid to all scholars. The money would help us with our academic expenses but the sense of being a hana scholar would motivate us to study much better to be similarly considered for scholarship next year also.

It's important for me in all sense .

The HANA Scholarship will provide crucial financial support, allowing me to focus on my studies in Biochemistry without the burden of financial constraints. As an aspiring researcher, I am deeply interested in fields like Cancer Biology, Immunology, Vaccine Developmen. This scholarship will enable me to access better learning resources, and gain hands-on experience through internships in these fields.

Moreover, I aim to contribute to scientific advancements by exploring metabolic disorders, lipid biochemistry, and membrane biology, which require extensive research and access to laboratory facilities.

Additionally, receiving this scholarship will strengthen my CV, increasing my chances of securing international research internships and postgraduate scholarships. It will also allow me to dedicate more time to academic excellence and innovation rather than worrying about financial limitations.

the HANA Scholarship will empower me to pursue my scientific ambitions, contribute to healthcare advancements, and inspire others from underprivileged backgrounds to dream big and achieve their goals.

The HANA Scholarship will significantly support my academic and career aspirations by alleviating financial burdens and allowing me to focus on my studies. With this scholarship, I can access better educational resources, participate in skill-enhancing programs, and engage in extracurricular activities that contribute to my personal and professional growth.

Additionally, the scholarship will reduce the need for part-time jobs, giving me more time to concentrate on my coursework and research. It will also enable me to attend industry conferences, workshops, and networking events, which are crucial for building connections and staying updated with advancements in my field.

..

This Scholarship helps me a lot . First I want to thanks Freeship Committee Dr. Shruti Mathur Mam and all other members of SVC for giving me this opportunity to fill this scholarship form . Apart from this I personally want to Thanks Dr. Richa Misra Mam who gave me LOR in such a short period of time filled with festivals like Deepawali. This Scholarship helps me in paying the fees of my hostel . It also gave me a hope and also motivated me that education is only the weapon that brings you from miseriel. It has also taught me about giving back to the society and I promise when I will become self dependent and achieve my aim then I will also help other students who can't afford high education cost so that this chain of help never breaks .

The HANA Scholarship will provide crucial support for my academic and personal growth. As a Chemistry (Honors) student with aspirations of clearing the UPSC exam, financial assistance will help me focus on my studies without the burden of economic constraints. This scholarship will enable me to access better learning resources, attend relevant workshops, and participate in research opportunities that align with my academic interests, particularly in Organic Chemistry and Thermodynamics.

Moreover, being associated with organizations like YUVA and the Women Development Cell, I aim to contribute to societal development. The scholarship will allow me to continue engaging in these activities without financial stress. It will also boost my confidence and motivation, reinforcing my belief that hard work and dedication are recognized and rewarded.

Beyond academics, the HANA Scholarship will support my overall development by allowing me to explore interdisciplinary learning, refine my skills, and prepare effectively for future challenges. It will not only assist me in achieving my career goals but also empower me to give back to society, making a meaningful impact in the long run.

It will help me in my future studies and will maintain my economic support .Access to Education – They make higher education more accessible

Will help a lot in my higher education

Hana scholarship has provided us with good amount of scholarship which will help students to finance their academic expenses and upon that getting recognized and scholarship from such an reputed international platform like Hana Bank also becomes a motivation for students to continue embarking upon their academic and co curricular development.

It is going to afford my living cost. And it may help me to get any coaching institution for my further preparation.

The HANA Scholarship will provide crucial support for my academic and personal growth. As a Chemistry (Honors) student with aspirations of clearing the UPSC exam, financial assistance will help me focus on my studies without the burden of economic constraints. This scholarship will enable me to access better learning resources, attend relevant workshops, and participate in research opportunities that align with my academic interests, particularly in Organic Chemistry and Thermodynamics.

The HANA Scholarship is a significant milestone in my academic and professional journey. It provides me with the financial support needed to focus on my studies without the burden of financial constraints. This scholarship will help me access better educational resources, attend relevant workshops, and participate in skill-enhancing programs that align with my career goals.

HANA स्कॉलरशिप मेरे शैक्षणिक और करियर लक्ष्यों को प्राप्त करने में महत्वपूर्ण भूमिका निभाई है। इस स्कॉलरशिप ने मुझे आर्थिक सहायता प्राप्त की, जिससे मुझे उच्च शिक्षा जारी रखने में काफी मदद मिली, जिससे मेरी पढ़ाई में रुकावट बनने वाली वित्तीय बाधा दूर हो पाई है।

इस स्कॉलरशिप से मुझे अपने कॉलेज की फीस भरने, अध्ययन सामग्री प्राप्त करने और अन्य शैक्षणिक आवश्यकताओं को पूरा करने में काफी सहयोग दिया है। अतः मेरे लिए हाना स्कॉलरशिप "ईश्वर के वरदान" के समान सिद्ध हुई है। इस स्कॉलरशिप के द्वारा जो मुझे आर्थिक मदद हुई है उसको मैं कभी नहीं भूल सकता हूँ।

इस स्कॉलरशिप के प्राप्त होने से मेरी आर्थिक समस्या दूर हो सकी और अब मेरा ध्यान केवल पढ़ाई पर केंद्रित रह सकेगा, जिससे मैं शिक्षा के क्षेत्र अर्थात् अपने करियर को सफल बनाने में काफी उन्नति कर सकता हूँ।

साथ ही, यह Hana स्कॉलरशिप मेरी योग्यता और मेरे परिश्रम को पहचान दिलाने का एक सफल माध्यम बना है, साथ-साथ मुझे आत्मनिर्भर बनाने में भी इस स्कॉलरशिप की महत्वपूर्ण भूमिका निभाई है। इस स्कॉलरशिप की प्राप्ति के कारण मेरे माता-पिता के ऊपर से जो मेरे कॉलेज की फीस का आर्थिक संकट था वह काफी हद तक दूर हो सका। इसके लिए मैं Hana स्कॉलरशिप देने वाली संस्था का तहे दिल से शुक्रिया अदा करता हूँ।

इसके अलावा, HANA स्कॉलरशिप मेरे करियर को एक नई दिशा देने के साथ-साथ मेरे व्यक्तिगत विकास में भी काफी सहायक सिद्ध हुई है। इस स्कॉलरशिप ने मुझे समाज और देश की प्रगति में योगदान देने की प्रेरणा भी दिया है।

अतः निष्कर्ष रूप में मैं इतना ही कहना चाहता हूँ कि इस स्कॉलरशिप ने मुझे अपने सपनों को साकार करने में काफी मदद की है और मुझे एक सफल भविष्य बनाने की ओर अग्रसर किया है। इस स्कॉलरशिप के विषय में जितना बखान करूँ उतना कम ही है अर्थात् इस स्कॉलरशिप की प्राप्ति होना मेरे लिए काफी गौरव की बात है। इसके लिए मैं अपने कॉलेज के प्रधानाचार्य, कॉलेज प्रशासन और सम्पूर्ण Freeship & Students Aid Fund Committee Sri Venkateswara College इनका भी मैं सदैव आभारी रहूँगा।

धन्यवाद !

- These are the various suggestions provided by students.

Scholarship amount is good. It will be good if students get it for atleast 2 years or the amount is increased to some extent. Thankyou for this scholarship.

The process is really good. But I think that HANA should reach to some state universities also to fund education of students who can't come out to central universities.

It becomes more easier if it becomes more accessible for students.

No not yet

No . Thank you

tq very much.

All the things are well and god.

All from the beginning till end the process and everything was well organized and managed. The only suggestion I want to give us that Hana foundation should also start outreaching state universities especially in Himalayan states where students actually lack resources. Rest Hana foundation is doing a noble work by aiding education as it will ensure a positive change in society.

It is a good scholarship than can help the financially struggling students, but it will be very helpful if it is provided for atleast 2 years of graduation. Or the amount of scholarship may be increased with the more beneficiaries.

No

No

(Hana स्कॉलरशिप देने वाली संस्था ने अपनी जिम्मेदारी को पूरी निष्ठा से निभाया है ।)

धन्यवाद !

While the scholarship selection process rightly emphasized both financial need and merit, the distribution of funds could have been more tailored to individual circumstances rather than providing an equal amount to all recipients. Students facing greater financial hardships should have been awarded a higher amount to ensure they receive the necessary support. Additionally, for future allocations, those who were awarded the scholarship this time and continue to face genuine financial difficulties should be considered again to help them sustain their education.
