Principal

Action Taken Report based on the feedback for the year 2023-2024

All the feedbacks were studied and analysed in detail by the Coordinator, Internal Quality Assurance Cell and the Principal. The feedback was grouped into the following categories and checked department-wise:

1. **Students feedback**: The students provided feedback on the relevance of curriculum, teachers efforts to inculcate soft skills and life skills in students, fairness of internal evaluation, coverage of syllabus, preparation by teachers for class, communication skills of teachers, encouragement, regularity of classes, experimental learning, quality of teaching learning process, ICT tools usage by faculty.
2. **Employer feedback**: the employers of our students rated the quality of our students, efficiency of Placement Coordinator, facilities provided during placement. They also provided feedback on whether they found the right match from our campus or not.
3. **Alumni feedback**: The alumni provided feedback on support by faculty, infrastructure, students' grievance mechanism, classroom environment, their contribution towards betterment of college.

The feedback related to infrastructure was noted and forwarded to the relevant committees for action. Administrative feedback was forwarded to the administrative section.

Teaching feedback was discussed with the relevant teachers for future course of action, correction and improvement.

Based on the feedback, the following action is being taken with immediate effect:

- Based on the feedback from ECA students that they miss classes for practice with no attendance given, Three ECA periods weekly have been incorporated in the Odd semester of 2024-25. ECA students have also been allowed to practice till 6pm in College premises.
- Students' grievance regarding the transparency of attendance for ECA and Sports event participation, has been addressed by systematically showcasing the due credits of their ECA/Sports attendance on the College attendance portal.
- Based on the feedback from students stating that many courses have many hours of free time between two classes, timetable of all courses have been prepared in Odd semester 2024-25, such that gaps between lectures is minimum.
- Based on the feedback from students stating they are being overloaded with syllabus during the last month before exams, regular student and faculty feedback will be taken to ensure that teaching plan of the course is adhered to, so that syllabus is covered throughout the semester in a balanced fashion.
- Based on the feedback that students from rural areas and schools with less infrastructure require a basic foundation course before the beginning of the course syllabus, a new IQAC initiative "**SVC Gurukul** - विद्यालय से महाविद्यालय तक" will begin from Even semester of 2024-25.

The Internal Quality Assurance Cell Coordinator and Principal agreed that the feedback was very constructive as it helps to improve the quality of college.
