6. NAME OF THE EVENT: Governance in the Metaverse: Exploring the policy implications of virtual realities and AI-driven worlds

Date: AUGUST 22, 2023

Objectives: New Delhi, 22nd April, 2024: Global Youth SVC chapter, in collaboration with Global Youth LSR chapter organised a panel discussion titled ‘Governance in the metaverse: exploring the policy implications of virtual realities and AI-driven world’s’. The panel discussion delved into the policy implications of virtual realities and AI technologies. The session began with defining metaverse as a collective virtual shared space created by the convergence of virtually enhanced physical reality. The speakers highlighted the need for novel governance frameworks to deal with issues like privacy, security, and intellectual property. The complexity of regulating decentralized virtual environments and importance of public-private partnerships was also emphasized. Highlighting the implications of metaverse on the economic sphere, the speakers discussed the emergence of virtual economies and the challenges of regulating virtual assets and transactions. The need of ethical guidelines and responsible innovations were also discussed. Concludingly, the panel discussion underscored the need for proactive governance strategies to navigate the complexities of metaverse and ensure that it fosters innovation, inclusivity and ethical standards.
