REPORT

On February 16th, 2024, a visit was conducted to the Delhi Council for Child Welfare, located in Civil Lines, in collaboration with the Delhi Odia Students Association (DOSA). The purpose of the visit was to engage with the children, provide them with emotional support, and offer material assistance. The visit aimed to understand the needs of the orphanage and contribute to the children's well-being. We began the visit by spending quality time with the children in a group setting which included ice-breaker games and storytelling. As part of our visit, we also brought along drawing books and colors which were distributed to the children towards the end of the session. The staff expressed their gratitude for the visit and the donations. They highlighted the ongoing need for educational support, particularly in the form of tutoring and mentoring for older children. The visit was not only impactful for the children but also left a lasting impression on all participants.
