### REPORT

On September 20th, 2024, Project Pustak of NSS-SVC organized "Kalakriti," an exciting Arts and Crafts session for students at SDMC Primary School in Malviya Nagar. This initiative was a collaborative effort involving three NGOs: Think Good Foundation for stationery items, Hunger Erasers for refreshments, and Dawn Children Foundation for partnership with the school and logistical support.

The primary objective of the session was to engage students in Arts and Crafts activities, fostering their artistic skills while addressing their need for basic stationery. It began with an introduction on the importance of Arts and Crafts in education. Approximately 80 students participated in the event, including about 30 girls and 50 boys from classes 5th and 6th.

Some of the various activities organised were an origami session, memory games, and pictorial, which encouraged active participation. At the end, students were distributed stationery kits curated by the volunteers, allowing them to further explore their creativity and artistic fervour. Overall, the event was a successful initiative that fostered creativity and addressed essential educational needs. NSS-SVC aims to continue such efforts to support education, innovation, and inspire young minds.
