Honorable Vice Chancellor Prof. Yogesh Singh Ji,

I hope this email finds you in good health.

Bharatiya Shikshan Mandal is a National-level organization working in intellectual space to bring in Bharatiyata in education since 1969. Yuva Aayam is the youth wing of BSM, working to enhance the physical, intellectual, and mental capabilities of the youth, along with emotional and spiritual development, to create intellectual warriors inspired by the spirit of nationalism. The Shikshan Mandal is constantly working towards the development of intellectual warriors by awakening the spirit of nationalism, research-based discussion, writing and reasoning capacity among the youth of Bharat.

To develop research aptitude and capability among the youth, Yuva Aayam is organising a national-level research paper writing competition on 'Vision for Viksit Bharat'.

This competition has been inaugurated across Bharat on Ram Navami (17th April 2024), i.e. the foundation day of Bharatiya Shikshan Mandal. After the research paper writing competition, a three-day Akhil Bharatiya Convention of selected researchers will be organized from **15th to 17th November 2024**, at S.G.T. University, Gurugram, Haryana. The main objective of this competition and three-day Convention is to enable and inspire the youth to make their valuable contribution related to every field of nation-building, in this AMRITKAAL. More than 1000 young researchers across the length and breadth of Bharat will participate in this Convention.

The objective of this research paper writing competition is to inspire the youth to do research in various fields according to the Bhartiya research methodology on the basis of Bharatiya Gyan Sampada with Bharat centric vision. Vibrant with positivity, dedicated and talented youth can provide momentum in every sphere of national life. Therefore, making policy, forming structure and evolving a work culture with the active contribution of such bright and dynamic youth is essential for the development of the nation.

It is a humble request to you that the competition be inaugurated and posters be released at your University. Alongwith this, disseminating the information related to the competition among affiliated colleges and educational institutions of your esteemed University, ensuring their registration and participation would thereby motivate the youth for involving themselves in the process of nation-building. By becoming a co-organizer of this competition of National importance, you can make it more comprehensive and far reaching.

We humbly request you to block your dates on 15th November 2024 for the Inaugural Session of this National Convention.

**Last Date for Registration for the Competition: 30th June 2024**

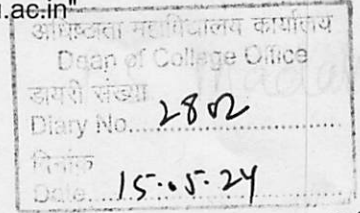

**Last Date for Submission of Research Paper : 31st July 2024**

A detailed information about competition is available on the website of Bharatiya Shikshan Mandal: <https://bsmbharat.org/>.

I would be happy to discuss further details and answer any questions you may have.

Thank you for your consideration and support.

Your's Sincerely,

## Vision for Viksit Bharat Research Paper Writing Competition Rules and Regulations

### Respected Participants,

Research is the foundation of any nation's progress. It is through research that a nation can ascend to the pinnacle of progress.

Curiosity about nature, the emergence of questions, and the quest for solutions are innate to every young mind. Nurturing this disposition towards noble objectives ensures the nation's progress.

When the purpose of life is noble and clear, profound questions naturally arise. Finding answers necessitates the application of logic, and if the methods are not based on Bharatiya values and are not contemporary, then the youth will not be able to contribute effectively to the nation's progress.

Therefore, the active participation of such majestic and dynamic youth is extremely vital for shaping the policy, infrastructure, and the work culture, essential for the nation's development. It is to harness this innate vigor of Bharatiya youth for nation-building, Bharatiya Shikshan Mandal is organizing a research scholars' conference entitled "Vision for Viksit Bharat - VIVIBHA." As a Preliminary preparation, a research paper writing competition is being organized at the state level.

**Research Paper Topics:** Paper can be written on any one of these topics.

## **Title of the Research Paper**

**Name of the researcher**

**Designation**

**Name of the institution**

**Email**

### **Abstract**

A short description of the entire study of the research is to be presented in the abstract in 200-250 words. This section will give an overview of the research paper/ article.

### **Introduction**

This section incorporates the selection of the subject, its importance and its relevance. Within introduction, the description of the research subject and its literature review should be discussed. If applicable and essential, the research gap should be included. The originality and the conclusion or result of the research should be included here.

### **Methodology**

What is research? Why and How is it done? Basically these questions and their answers/logics are given here. For this purpose, the specific procedures or techniques used for research problem identification, process, research questions, hypothesis, research sampling, fact collection and analysis of the data obtained is given here.

Briefly mention any ethical considerations taken into account during the research, especially for studies involving human subjects.

### **Result**

The findings of the research are discussed in detail in this section. The results obtained from the quantitative and qualitative discussion of the results obtained from the techniques employed by the researcher will be given (Charts and diagrams can be used.) Acknowledge any limitations in your study that might affect the interpretation of results.

### **Discussion**

What is the significance of the results obtained from the research? How the findings of the subject selected for the research addresses those issues, has to be discussed here. This section gives a direction to further researches in this field.

Provide recommendations for future research or practical applications based on your findings

### **Conclusion**

Conclusion should be determined on the basis of facts obtained from the research results. This helps in understanding the importance of research to the readers. Researchers should take into account that conclusion is not mere a summary or restatement of research problem but a synthesis of major findings and discussion of the research.

### Acknowledgement

Besides acknowledging financial support, consider acknowledging individuals who contributed to the research but are not listed as authors.

### References

References here means alphabetically arranged list of journals, research paper and any kind of cited books and sources. ### Bharatiya Shikshan Mandal :

Bharatiya Shikshan Mandal is a national, ideological and educational organization. BSM was established on the auspicious day of Ram Navami, Vikram Samvat 2026 (19th April 1969) with the objective of national resurgence in the field of education. Bharatiya Shikshan Mandal is continuously working to ensure that education at all levels i.e., from primary to higher education is rooted in Bharatiya values and enriched by the integral vision and eternal ethos of Bharat.

In order to rebuild a strong, prosperous and harmonious Bharat, it is imperative that our education system should emerge from Bharat's philosophical, historical and cultural experience. With this vision, the organization has been regularly conducting ideological, educational and pragmatic activities in more than 550 districts across various parts of the country for the past 55 years.

There are mainly 5 folds in the mission of BSM - Research, Awareness, Orientation, Publication and Organization. Through various activities, BSM is committed to establish the strong ideological foundation in the field of education.

### Yuva Aayam :

The aim of Yuva Aayam is to create intellectual warriors by making the youth physically strong, mentally pure, sound and patriotic, intellectually creative, spiritually rooted, socially productive with nationalist perspective.
