NOTICE

“Non-teaching Staff Members are compelled by the unruly and domineering students to work as per their whims and if it is not done, they oftenly started misbehaving with the staff. Now the students are so clever and tricky that they shamelessly started levelling the baseless allegations against the staff members to defend themselves from any lawful action.”

In the light of above, an advisory is hereby issued for students that they should desist themselves from unwarranted, unlawful and undesirable activities. In case of any incident of misbehaviour by the student in the premises (Administrative Block/Officials/College/Department) of the University, appropriate disciplinary action shall be initiated by the competent authority against the bonafide students or their companions under the relevant rules of the College/University.

All Teacher-in-Charge, Coordinators, and Conveners of respective committees/societies are requested to submit any bills or invoices directly to the Accounts Section for necessary processing. Please note that students and/or their representatives should not be involved in any financial matters.

In view of the above, all concerned are directed to note the same for information and compliance
