## Report

The session commenced with our honourable speaker Ms. Tarannum Naseem Raza discussing the applications of Aptitude Tests and addressing the students. Following this, the speaker provided an explanation of what all sections we have in aptitude tests.

The speaker emphasized the importance of understanding the format, types of questions, and time constraints of the aptitude test you are preparing for.

The discussion progressed to various problem-solving strategies, such as eliminating answer choices, using shortcuts, and focusing on your strengths. Repeatedly practicing sample questions and taking mock tests was encouraged as the best way to improve aptitude test performance.

Additionally, the speaker discussed a few sample questions and explained how to solve them correctly and quickly.

The session concluded with a Q&A session, where students had the opportunity to ask questions and clarify any doubts the students may have had.
