## Report

The session concerned with entrepreneurship and innovation welcomed Anu Vij as the main speaker, an assistant professor at Normandie in UAE since 2003.

She started the rapid growth in the population of Dubai which had taken place due to advancement of trade and commerce, she highlighted the fascinating monument of Dubai i.e., Burj Khalifa.

Slowly the session concentrated on the fact that the size of UAE doesn't decide on its ability of growth while highlighting its interesting facts like one of the richest countries.

She is specifically the focal shift of UAE leaders from oil to multi-diversified economy real estates, technology, retail, services and artificial intelligence. Additionally covering the relationship between growth and innovation along with the will an entrepreneur mindset carry.

Lastly, she told how her business schools strive to think out of the box, converting the session into an interactive session with students.

The session concluded with a Q&A session, where students had the opportunity to ask questions and clarify any doubt the students may have had.
