Report

The session commenced with the speaker sharing her experiences as a student at Delhi University and addressing the students. Following this, the speaker provided an explanation of what a resume is and the difference between a resume and bio data. She explained the importance of crafting a good resume in building our career. She emphasized that education, work experience, leadership positions, achievements, skills/hobbies are key components of a winning resume.

The discussion progressed to the importance of selecting a suitable layout out of the 3 different kinds of layouts generally used. The importance of grammar and formatting was highlighted too. The speaker also shared her personal journeys of starting her career, providing valuable insights into the profession.

Additionally, the speakers discussed websites which can be explored for doing online courses and also shared some general tips for first years who are looking for internships. She elaborated more on the importance of doing and exploring various things and choosing the field in which students want to make a career in.

The session concluded with a Q&A session, where students had the opportunity to ask questions and clarify any doubts the students may have had.
