REPORT

The annual Speaker Session of Connecting Dream Foundation, chapter SVC, Horizon, was conducted on the 15th and 16th February 2024. This event aimed to throw light on how entrepreneurship can have a sustainable and responsible twist and to help people gain a perspective on different aspects and branches of any venture or enterprise. CDF set the tone for the event, with the changemakers dressed impeccably in formal attire, creating a wave of blue and black throughout the venue. We had fascinating board activities which included -‘Make a perfect blend challenge’, in which we had to make a pair of two things that go great together, and the other one was ‘Pick one Leave one’ game in which the player had to pick one quote written by someone and leave a note written by themselves. The engaging and enthusiastic crowd gave us a new-found zeal to make this event the best possible one.

In the Seminar Hall, all changemakers and students from different courses gathered to begin the Speaker Session, which was by our Guest of Honour, Mr. Prafful Garg, who is the founder and CEO of Younity Community Pvt Ltd. He addressed topics of all concerns to students and enlightened them with his immense knowledge and experience. The energy surrounding the room was magnanimous or as they say “The Josh was running high” throughout. The session was followed up by a question-answer round, which tended to specific doubts and were answered with great detail and care by our esteemed speaker.
