#### **Saundarya: The Classroom Makeover**

In an effort to foster creativity, community, engagement, and positive change, we had a very Interactive collab with Teach for India, which is a Non-Profit organization working for the betterment of society in specific domains. CDF, offered our full enthusiasm by letting our members to volunteer fervently.

On 2nd October at Sarvodaya Co-Ed Senior Secondary school, Munirka Village, CDF collaborated with a wing of Teach for India, with the idea of Paint the Change. We aimed to exercise our talent by stepping out of the comfort zones and making the session interactive to its Zenith. We contributed with collective efforts by dealing in 3C's Create, Collect and Change. Students painted the walls making the classrooms look more beautiful. Not only the walls are looking colorful but it is also radiating knowledge through it as the paintings included various idioms, phrases and numbers in a very unique way.
