## **Changeathon at American Centre – A Transformative Experience**

Changeathon, an event organized by **CDF India**, took place on **January 31, 2025**, at the **Indian American Centre, New Delhi**. This impactful event brought together young changemakers from various **Connecting Dreams Foundation (CDF)** chapters to collaboratively explore the theme of **India Unincorporated**—focusing on unregistered, informal, and marginalized sectors of the Indian economy.

Six members from **CDF SVC (Sri Venkateswara College)** actively participated, engaging in interactive sessions that encouraged critical thinking and empathy. Divided into groups, participants worked on identifying challenges, analyzing socio-economic conditions, and brainstorming practical solutions for different communities within unincorporated India. This hands-on approach helped refine problem-solving skills and develop a deeper understanding of grassroots issues.

A key highlight of the event was the **idea presentation segment**, where each group shared their insights and proposed solutions. This exercise not only tested our ability to think on our feet but also provided valuable feedback from mentors and experts, helping us refine our perspectives. The discussions emphasized the importance of **practical, scalable interventions** in uplifting underrepresented communities.

Beyond the discussions, Changeathon provided an excellent **networking opportunity**, allowing us to connect with like-minded students from various institutions. The experience not only broadened our perspectives but also reshaped our approach to community-driven initiatives. Equipped with new insights, we are excited to incorporate these learnings into our future projects under **CDF SVC** to drive meaningful social impact.

Overall, **Changeathon 2025** was an **enriching and transformative experience**, reinforcing the power of collaborative problem-solving in addressing societal challenges.
