Summary:

On the occasion of Helen Keller Day, we organized a webinar on 27th June, we were lucky to hear from Himani Bundela ma'am on the topic of "Empowering individuals with a disability", the webinar was also followed by SPENT QUIZ exclusively for the PWD students.

The webinar was attended by people, including PWDs from different colleges, EOC volunteers, and other students of the college, we were also blessed to have our Convener sir, and other members of the committee.

We had Shivam and Anoushka as our hosts for the program, they started by introducing the importance of the day, then Lalit, our president gave a welcome speech and thanked everyone who joined the webinar, he also introduced the speaker, Himani Bundela Ma'am.

Our Convener, Kunwar sir also said some words on Helen Keller and then told us how important and helpful EOC has been towards helping and improving the conditions of PWD students on the campus, he also blessed all of us and prayed for our well-being, and his words were very motivating as well.

Then finally the speaker, Himani Ma'am spoke, she is a motivational speaker and also became the 1st crorepati in the 13th season of the famous show, Kaun Banega Crorepati, hosted by Shri Amitabh Bachchan. She told us the importance of teachers and mentors in our life, she narrated some stories of her school days when her teacher supported her so much, she gives all the credit for her success to her teachers, and also informs us that she still shares a very good bond with her teacher. She also suggests that we shall always respect our parents and teachers, who play the most important role in our success.

The session ended with some questions from the audience, she gave detailed answers to all the questions. This webinar taught all of us that "Nothing can stop you if you have self-belief". She has been an inspiration to so many people who want to succeed in their life and don't succumb to any trouble. Thank you so much ma'am for all those inspiring words.
