Report

We had our orientation titled “Orientation of Smiles” in **Room 302, Durgabai Deshmukh Block** from **11.45 A.M to 12.45 P.M.** A good strength of students attended our orientation. We started the session with our **convener Dr. Ritika Singh** addressing the crowd. Then our Joint Secretaries took over who acted as the anchors and ensured the smooth ongoing of the programme. After giving a brief introduction about Empathise, the core and extended core introduced themselves and the functioning of respective departments of the society. We had also planned a small game in which the participants had to doodle on a piece of paper and then explain their doodle if they wished to.

We ended the session with a speech from our president who thanked the team and everyone who made it possible. On their way out, the participants were given a sticker as a token of thanks from Empathise.

We would like to express our heartfelt gratitude to Principal Sir for giving us the permission to conduct these activities and allowing us to reach out to more freshers. We would also like to thank the caretaker for providing us with the required equipment for the smooth ongoing of the activities.
