5. EVENT REPORT

A treasure hunt was organized on 21st October, 2022 by Sri Venkateshwara chapter of Global Youth in college premises which saw good participation of chapter members and students from other departments.

The participants were divided into 5 teams each having four members where each team represented one allotted country. To ensure smooth conduct of the event instructions were provided by the organizing committee. Each team had to find the clue and solutions for their country's problem which was hidden at different locations in the college. At the end they had the option of trading where they could exchange their solutions with other teams and were expected to present their discovered solutions for their problems at the end.

Showing the importance of proper coordination and team work, all country representatives were able to discover hidden clues and solutions in the given time. The whole process of trading solutions and presentation taught the importance of negotiations and diplomacy to the participants. Request for more such events and smiles on their faces reflected the success of this treasure hunts. The results were announced at the same day. The winning teams were-
