Subject: Request for the Usage of any place in the college premises for Relief Material Collection Drive

Respected Sir/Madam,

I hope this message finds you in good health and high spirits. I am writing to seek your support and permission for a noble cause that we are deeply passionate about. We, the NESSDU are organizing a relief material collection drive for the flood-affected regions of Manipur and Sikkim.

As you are well aware, the recent calamities and conflicts that have caused immense devastation in these states, leaving countless families in dire need of assistance. In our endeavor to help those affected, we have asked all the different colleges of Delhi University to collect the materials and they shall send in their representative to the collection centre.

We believe that Sri Venkateswara College provides an ideal location for setting up a collection center. The vast space and easy accessibility will allow us to efficiently manage the collection drive and facilitate the contributions of students, faculty, and local residents who wish to contribute to this humanitarian cause.

We kindly request your permission to use **any place possible in the college premises on the 10th of November 2023 for 3-4 hours**, to organize and carry out the relief material collection drive. We assure you that we will be responsible for the setup, maintenance, and cleanup of the area, and will ensure that no damage is caused to the property. We will also coordinate with the college security and authorities to ensure the safety and security of the premises during the event.

This initiative is not only an opportunity to extend our support to the affected communities but also a chance to instill a sense of social responsibility and compassion among our fellow students. We believe that such activities align with the values and principles that Sri Venkateswara College stands for.

We genuinely appreciate your consideration of our request and look forward to your positive response. With your support, we can make a meaningful difference in the lives of those who are facing adversity in Manipur and Sikkim.

If you require any additional information or have any questions regarding our plans, please do not hesitate to reach out to us. We are more than willing to provide further details or discuss the matter in person.

Thank you for your time and consideration.

Regards,

• **SUMMARY OF THE EVENT: -**

A donation drive was held on 23rd November 2023. It was done to aid the victims of the floods in Sikkim and the ongoing conflict in Manipur. It was an event where everyone regardless of backgrounds, came together as one and displayed unity.

The NESSDU and North East societies of almost all the colleges under University of Delhi visited our college as well for the purpose of dropping and handling the donations. Combined, we were able to donate two full trucks of relief items like medical items, food, clothes, etc. that we believed would be useful for the victims' immediate use.

It was an event that taught us the importance of coming together as a society and doing a good deed for the welfare of people. Everyone came by to drop items in college; even if it was just one item, it was able to help someone in need.
