## CERTIFICATE OF COMPLETION:

Social media message:

This is to inform all members that NESAs will be organizing the "Lecture Series on Northeast India.24". We expect all members to attend and actively participate in this session, showcasing the dedication and commitment that NESAs stand for.

**Date: 13 November 2024**

**Venue: Room No. 332**

**Time: 11:30 AM**

**Theme: Northeast India's cultural heritage**

#### **Summary of the Seminar:**

NESA Speaker session was conducted on 13 November 2024 for the term 2024-2025, where Dr. Avitoli elaborated on the diverse cultures and traditions of the region. She highlighted the unique practices of various tribes, particularly emphasizing their community-centric activities aimed at promoting the greater good. Using examples from Meghalaya and Mizoram, Dr. Avitoli stressed the importance of community work and welfare as integral aspects of cultural heritage.

She referred to cultural heritage as a "double-edged sword," suggesting that while it fosters identity and unity, it may also present challenges in balancing tradition with modernity.

The session concluded with a Q&A segment, which provided deeper insights into preserving cultural heritage, addressing modern challenges, and engaging youth in these efforts. Participants had the opportunity to clarify concepts, discuss practical solutions, and gain a broader understanding of the subject. This interactive session enriched the overall learning experience, making the seminar more impactful and comprehensive.
