**Brief Report:**

On 21st August 2024, the Women Development Cell of Sri Venkateshwara College organized a silent march to protest against the recent horrific rape case that occurred in R.G Kar Medical College in Kolkata, India and the systemic issue of sexual violence against women. The preparations for the march began early in the morning, with volunteers and members of the cell diligently working on posters, creating impactful messages to raise awareness about the issue of sexual violence. The march commenced at 12:00 pm from the college foyer, where the Vice Principal delivered a powerful speech, emphasizing the importance of standing together against such atrocities and teaching men to be better people. The procession moved solemnly through the campus, passing by the Maggie Point, the Badminton Court, Canteen Lawns, and the Rock Garden, before circling back to the foyer. The atmosphere was charged with a sense of unity and purpose as many students from various departments joined the march as it proceeded, displaying their solidarity against the heinous acts of rape, victim blaming, unjust criminal justice system etc. The event concluded at around 12:30 PM, with the president of the society addressing the gathering followed by professors who talked about nuances of sexual assault against women, trans-people, tribal people and other minorities. The silent march served as a poignant reminder of the collective voice of the youth against violence and the urgent need for justice and safety for all.
