## REPORT

On October 23rd, 2024, the Connecting Dreams Foundation (CDF) chapter of Sri Venkateswara College hosted Bling 3.0, a high-energy fundraising event at the Audi Lobby & Rock Garden from 11 AM to 4 PM. The event brought together students, faculty, and guests in a celebration of creativity, talent, and social impact, all while raising funds to support the impactful initiatives of CDF SVC.

A central feature of the event was its diverse array of stalls, each representing CDF SVC projects, including Project Prerna, Project Alankriti, and Project Roshni. These stalls not only displayed an assortment of handmade products but also served as a platform to raise awareness and funds for each project’s mission. By purchasing these items, attendees contributed directly to the social causes that CDF SVC is passionate about, helping to further the foundation’s efforts in supporting underprivileged communities.

In addition to the fundraising stalls, the event featured a range of performances from Crescendo, Alaap, NESAs SVC, and Nrityangana, infusing the event with cultural energy and creativity. The Plank Challenge offered an entertaining way to engage the audience, maintaining an exciting and participatory atmosphere throughout the day.

Bling 3.0 also fostered collaboration among colleges, with participation from CDF chapters of other institutions and the presence of Venky Doggos, which added a sense of community and shared purpose to the event. The enthusiastic support of participants, along with the successful fundraising efforts, highlighted the spirit of unity and philanthropy that defines CDF SVC.

Ultimately, Bling 3.0 proved to be not only a celebration of talent and creativity but also a testament to the power of collective action for social good. The event raised significant funds for CDF’s ongoing projects, making a meaningful impact on the lives of those in need, while reinforcing the college’s commitment to community and social responsibility.
