REPORT

Report on Jashn-e-Rasayan 2026

Rasagya – The Chemical Society of Sri Venkateswara College, University of Delhi, successfully organised its annual departmental fest, "Jashn-e-Rasayan 2026," on 1st and 2nd April 2026. The two-day fest aimed to celebrate science, creativity, innovation, and teamwork while providing students with a platform to showcase their knowledge and talents.

The first day commenced with an inaugural lecture by Prof. Rakesh Kumar Sharma on "What Makes Nano Matters," highlighting the importance and applications of nanoparticles along with their potential limitations. Various engaging competitions, including Science Sprint

Quiz, Chemvate (research paper and idea presentation), Mad Scientist, and Mad Ad, witnessed enthusiastic participation from students across different colleges.
The second day featured exciting activities such as Rasayan Ki Rajniti, a conventional debate competition, along with treasure hunt, cricket, and badminton. A career guidance seminar by Ms. Mansee Bansal from CareerBridge further enriched the event by providing students with valuable insights into career opportunities and professional development.
The fest witnessed active participation, healthy competition, and meaningful learning experiences. It successfully brought together students, faculty members, and science enthusiasts, making Jashn-e-Rasayan 2026 a memorable celebration of scientific spirit, collaboration, and innovation.
