EVENT REPORT

The Youth India Foundation organised a registration desk to introduce freshers to the society, its vision, and the opportunities it offers. With a footfall of nearly 100 students, the desk served as an engaging space for interaction and participation.

A creatively decorated board featured thought-provoking questions on individual sheets, where students shared their responses, adding a personal and interactive element to the event. The core and executive members actively engaged with the freshers, introducing them to the society and addressing their queries.

Two interactive games further enhanced participation:

- The Cup Stacking Challenge required participants to stack and dismantle cups against the clock, with a leaderboard displaying the best timings. The fastest recorded time was 17 seconds.
 - The second activity was a Headphone Guessing Game, where participants attempted to communicate phrases to partners wearing headphones with loud music, without using gestures.
- ❖ The event successfully created an energetic and welcoming atmosphere, leaving students with an engaging introduction to Youth India Foundation.
