ANNUAL REPORT 2022-23

PRINCIPAL'S ADDRESS

This year marks 62 years for Sri Venkateswara College and over the years our college has acquired an indomitable place in the Indian education map. We take pride in the fact that students of “Venky” are known in today’s world for their penchant to excel in all walks of life.

As the college celebrates its journey, it is with immense pride that I present the Annual Report of the academic year 2022-2023.

I would like to reflect upon the past year by glossing over the highlights pertaining to the college events and achievements. It is a matter of great pride that Sri Venkateswara College was ranked 13th in the National NIRF Rankings of the Ministry of Education in the year 2023. This accomplishment is the result of our collective commitment and tireless efforts to make Sri Venkateswara College a stellar institution of the country. Congratulations to all the students, faculty, and staff members for being awarded A+ grade with CGPA 3.44 in NAAC second cycle. Our college ranked 8th in Education World India Non-Autonomous Colleges Rankings 2022-23 with a total score of 564. With persistent effort and unwavering dedication, our college has proved its reputation as a premium educational institute for holistic growth and development. I congratulate Prof. S.Seenivasan, Department of Tamil, on receiving the prestigious ‘Periyar Award’ from Smt. Kanimozhi Karunanithi MP (Lok Sabha) in the presence of Hon’ble Thangam Thennarasu, Minister for Industries, Tamil Official Language and Tamil Culture, Govt. of Tamil Nadu. I also congratulate Prof Nirmal Kumar, Department of History, on being one of top 5 candidates for the Sustainable Tourism Award. These efforts stand testament to our dedication to securing a sustainable future for our planet.

I congratulate the staff for successful implementation of the National Education Policy 2020 for revamping all aspects of the education structure to create a new system that strengthens multidisciplinary and critical thinking. Our Wi-Fi-enabled classrooms and projector-enabled ICT labs help facilitate use of multimedia channels to aid digital learning. Our internet resource lab has

80 systems, and we have three computer labs with 130 systems for students' use. This has immensely helped in the implementation of the NEP. It is a great achievement that our faculty has introduced new teaching pedagogies to meet the demands of this new system with a spirit of innovation and resourcefulness. A crucial landmark of the year was the completion of the long overdue process of permanent recruitments in the college. I welcome all the newly-appointed and accomplished teachers and am certain that their zeal will help our college reach the zenith.

Every year, our college conducts various events. This year began with an interactive program on "Pariksha Pe Charcha" with Hon'ble Prime Minister Shri Narendra Modi Ji. It was a great opportunity for our students and members of the staff to gain valuable insights directly from such an esteemed personality. Sri Venkateswara College proudly celebrated its Diamond Jubilee Valedictory Function on 28 August, 2022 which was graced by Shri Dharmendra Pradhan, Honourable Minister of Education; Skill Development and Entrepreneurship, Govt. of India as its chief guest. Our guests of honour were Prof. Yogesh Singh, Vice Chancellor of Delhi University and Prof. M. Jagadesh Kumar, Chairman of the UGC. The Diamond Jubilee Souvenir book of Sri Venkateswara college was released by the dignitaries present on the occasion. In association with the Department of Political Science, our college organised "Youth Parliament 2022". We were delighted with the presence of Prof. Rakesh Sinha Honourable Member of Parliament from the Rajya Sabha.

In order to celebrate the spirit of national pride and make students responsible citizens of the country, Sri Venkateswara College organised several events. Our college observed the Vigilance Awareness Week (31st October – 5th November, 2022) and adopted the integrity pledge for its commitment to uphold highest standards of integrity and good governance and to follow ethical practices in conducting its activities. Our college also participated in "Tiranga Yatra" from Chandni Chowk to the Red Fort on 9 August, 2022.

Sri Venkateswara College made infrastructural strides promoting usage of alternative sources of energy in order to reduce reliance on fossil fuel-based sources of electricity in particular. The college has been relying on solar power-based electricity generation for hostels and street lights. On 7th April 2022, Rain Water Harvesting Structures were inaugurated in the college as a CSR initiative of Indraprastha Gas limited, New Delhi. The occasion was graced by Sri Y. V. Subba Reddy, Hon'ble Chairman TTD and member of our Governing Body. In order to build environmental consciousness and ensure a greener, cleaner, and brighter future for generations to come, the Garden and Sustainable Development Committee and Eco club organised a tree plantation drive on 10th August, 2022 in the college premises. The fourth batch of the add-on course on "Climate Change: Issues, Concerns And Strategies" was also initiated by the college.

SVC extends its support to student-led clubs and is also known for providing facilities that promote holistic growth. Extracurricular activities provide students an opportunity to foster their talents, build social skills, and leadership qualities. Our students are known for their extracurricular achievements and have brought in accolades in diverse fields. We're proud to announce that Crescendo, the Western Music Society of our college, was placed first in the acapella competition *Allegro* organised by IIT Delhi in their annual cultural fest, *Rendezvous*. It is a matter of immense pride that our Boys Football Team won the DUSC Football (Men's) Tournament of 2022-23. In order to encourage more sports participation we inaugurated a synthetic tennis court and a basketball court this year -- a project that was 100% funded by T.T Devasthanams, Tirupati and

built by NBCC India. The Sports Committee and Department of Physical Education organised a workshop on "Yoga for Harmony & Peace" on 21st June, 2022 in order to encourage physiological and psychological well-being.

Our college strives to be an inclusive place that celebrates diversity. This year our college organised free distribution of library books for staff and students. The Equal Opportunity Cell of our college conducted a Skill Development Workshop and Job Orientation Programme for differently-abled students on 2nd September 2022. On the occasion of the Birth Anniversary of Helen Keller, the Equal Opportunity Cell of our college also organised a webinar on "Empowerment of Differently-abled under The Accessible India Campaign. Enactus SVC was invited to set up a stall at Women Transforming India Awards organised by NITI Aayog & the Women Entrepreneurship Platform where the society showcased products such as sanitary pads (The Crimson Project), seed paper bookmarks (Project Gulzar), and kulhad candles. Project Pahal of the NSS Unit of our college organised a health camp -- "Hifazat" on 12th February, 2023 in the adopted Sanjay Camp slum after conducting a survey and identifying the needs of the underprivileged residents of the area. The Extension Society also conducted a Menstrual Awareness and Pad Distribution Drive in collaboration with the Aldaa Foundation at Sanjay Camp.

This year saw several national and international tie-ups with institutes of repute across the globe. We signed a Memorandum of Understanding with Institute of Nuclear Medicine and Allied Sciences (INMAS), Delhi on 8 July, 2022. A five-year MoU was also signed with Shriram Institute for Industrial Research on 23rd March, 2023 for scientific and academic collaboration. Lastly, an MOU was signed between Babeş-Bolyai University, Faculty of History and Philosophy, Department of International Studies and Contemporary History, and the Department of History, of Sri Venkateswara College. The Global youth SVC Chapter in collaboration with Global Youth India-Japan Youth Forum also conducted an interactive session with a diplomat Ms. Mihoko Nagai, First Secretary (Environment), Economic Section from the Embassy of Japan in India. An India-Australia meeting on "Deepening Ties Through Two-Way Mobility & Delegate" Roundtable on internationalising higher education was conducted with Jason Clare, Minister of Education, Australia; Shri Dharmendra Pradhan, Honourable Minister of Education, Skill

Development and Entrepreneurship, Govt. of India; and renowned cricketer Adam Gilchrist as the chief guests of the event.

The faculty of the institution work hard to uphold the rich legacy of the founders and three visionaries, Smt. Durgabai Deshmukh, Shri K.L. Rao, and Shri C. 8. **What made you happy today:** A board was made where students were told to write what made them happy.
9. **Kindness confetti:** Students were told to take confetti out of a kindness confetti jar which they could either pass it and be kind to others or be kind to them by keeping it.
