NO OBJECTION CERTIFICATE

This is to certify that the College has **no objection** to initiate the tender process for a **brand-based kiosk (Nestle)** in the college premises.

The recommendation for a Nestle brand-based kiosk is being made on the following grounds:

1. **Nestle has been associated with the college for a long time** and its services have remained satisfactory.
2. The **food quality, hygiene, and service standards are better** compared to other available options.
3. A large number of **students have expressed their demand and preference** for the continuation of the Nestle kiosk on campus.
4. The college has already made a **special infrastructure setup exclusively for the Nestle kiosk**, making it convenient and suitable to continue with the same brand.

In view of the above, permission is hereby granted to proceed with the tender process for setting up a **Nestle brand-based kiosk** in the college premises, as per the rules and regulations of the institution.
