

**NOTICE: Selection of Students Based on Preference 1 by Mentors**

29/6/25

We are pleased to announce that the initial list of selected students for **SRIVIPRA 2025** has been finalized based on **Preference 1**, as per the discretion of the respective project mentors.

As the number of applicants is significantly high, a second list will be released on 01/07/2025, which will include selections **for projects not covered in the current list**.

**Important Note:**

If a student has been selected for **more than one project**, they are **required to withdraw from one of the projects** and **inform the respective mentor on a priority basis**. This is essential to maintain fairness and ensure commitment to the selected project.

We extend our congratulations to all selected students and look forward to your active participation in **SRIVIPRA 2025**.

For any queries, please reach out to your assigned mentor or the SRIVIPRA coordination team.
