where

M is the marks obtained by the candidate in the paper mentioned on the GATE 2024 Score Card

Overall Band Score

Overall		7.5	Good User	The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning.
Test	Score	Your result explained		
Listening	7.5	Test takers at Band 7.5 can typically follow extended speech and understand detailed instructions to complete tasks, including some involving complex ideas. They can identify ideas, attitudes, opinions or purposes which are implied by the speaker but not directly stated. They can easily understand meaning, including references within and between sentences, without having to process individual words and structures. They can understand a wide range of vocabulary, including some idiomatic, technical, and academic language, even when the language and ideas are complex.		
Reading	8.5	Test takers at Band 8.5 can typically deal effectively with a variety of factual and opinion-based texts that are often complex and dense with information. They are skilled at using their very wide vocabulary knowledge to create meaning, from sentence level to text level, on a range of general, specialised, and technical topics. They are good at following complex arguments and distinguishing between main ideas and supporting details, and at understanding attitude, opinion and implication. They are good at using appropriate reading strategies, such as skimming and scanning, and at synthesizing information and drawing inferences.		
Speaking	6.5	Test takers at this band can typically speak at length, although they are sometimes less clear or fluent because of repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally well linked, but with some errors. They have enough vocabulary to discuss topics clearly and at length, although there are often errors, and they can usually paraphrase well. They can use simple and complex grammar structures but with limited range. There may be frequent grammar errors, particularly in more complex structures, but language is usually easy to understand. Pronunciation can be clear and effective, but there may be problems. They are usually easy to understand, although words may be unclear at times.		
		Advice to improve your score Listen to current affairs and documentary programmes, or online talks, without pausing or repeating the recording. Try to remember as much as you can, including new words, main ideas, specific points, and their relationship to each other. Afterward, reconstruct what you've heard. How much are you able to reconstruct? Listen more and try to increase the amount that you can reconstruct. When speakers don't directly say what they mean, we use strategies to guess their meaning. What are some of these strategies that you use in your own language? Use the same strategies to understand them in English. Your reading skills are already quite good. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured and arranged in such texts? Use your knowledge of these and approach the reading task in an appropriate way. Limit the amount of time you give yourself to read a text. As an exercise, try to find several texts on the same topic so that you can compare opinions, views, definitions and conceptualisations of ideas. Academics often make fine distinctions, so see if you can determine these. You may even try to see if you can capture those differences by writing a one sentence summary. Talk to other English speakers about more abstract topics or more difficult current topics. Keep the discussion going for as long as possible. At the same time, try to express your ideas as accurately as you can, using the best words you know. Many of your ideas will also require the use of complex grammatical structures. If you're using several simple sentences, try to join them up in a way that makes your point clearer. Listen (and read) in English more to help you pick up natural and idiomatic phrases. When listening, note the rhythm and also the words that the speaker stresses. Is your rhythm similar? Are you putting the stress on the right words?		

Test takers at this band can typically address all parts of the question, some more fully than others. (AC) They can give an overview. (GT) The letter has a generally clear purpose; the tone is sometimes not consistent. Key features and bullet points are covered. The point of view and main ideas are relevant but the conclusion(s) may be unclear. Some details might be irrelevant or wrong. Test takers can arrange their ideas logically, so that the writing has a clear progression from start to finish. They are able to use some linking words well, but others with mistakes. They can paragraph their Task 2 writing, although not always logically. They have enough vocabulary to answer the question. They try to use some less common words. They make some spelling mistakes, but the reader can still understand. They can write a mix of simple and complex sentences. The grammar and punctuation mistakes do not usually cause difficulty for the reader.

Practice writing to give information and make arguments. Make sure you cover all the points that need to be covered, providing supporting ideas and details. Reread your work and see if you can make your points clearer. Is the ordering of your ideas logical? Sometimes, rearranging them can make things clearer. You can also try joining up or separating sentences, using the right connecting devices, and changing where you divide your paragraphs. Continue to develop your vocabulary. Words can be similar in meaning but differ in formality, in their tone, and in their implications. Focus on learning the best words to use for the writing task, the situation, and what you want to say. Challenge yourself by producing sentences that are more complex. If you make mistakes with them, don't worry too much; just check and see how you can fix them.

Subject: Civil Services Examination, 2023 - Intimation regarding allocation of service to successful candidates reg.

Sir,

Congratulations for your success in Civil Services Examination, 2023 !

I am directed to say that you have been allocated to the **Indian Police Service** on the basis of Civil Services Examination, 2023. The allocation has been made on the basis of your rank in the merit list, eligibility, preferences for various participating services expressed by you in the Detailed Application Form - II (DAF II), availability of vacancy and medical fitness.

NOTE:

- (i) Please refer to the footnote of Service Allocation List for remaining terms and conditions of Service Allocation.

2. The Foundation Course is an important component of the probationary training and is common to IAS/ IPS and Group 'A' Services, recruitment to which has been made on the basis of the Civil Services Examination (CSE). Instructions regarding next Foundation Course would be intimated to you separately by Training Division of this Department. Nodal Officer for Foundation Course is Deputy Secretary / Director (Training), Training Division, DoPT. The contact details of the Nodal Officer are as follows: Telephone No. 011-26107960, E-mail ID: acaddesk-dopt@gov.in.

3. The formal offer of appointment will be sent to you by the respective **Cadre Controlling Authority (CCA)** of the Service concerned, namely, **Ministry of Home Affairs, [Sanjeev Kumar, US (IPS-IV), North Block, New Delhi Ph. 011-23094916]** in your case subject to verification of character and antecedents as well as claim(s) for reservation under EWS/ OBC/SC/ST/ PwBD (wherever applicable as per the extant rules). The Cadre Controlling Authority concerned will also take necessary action for verification of the same at their own level.

4. The candidates must note that in case, at any stage, if it is found that the candidate's certificate is fake, or he has furnished false information during the course of the CSE, he shall be liable to be proceeded against under the relevant acts/ rules leading to such penalty as may be decided which now extends to termination of his appointment. Such action shall also be without prejudice to any other punitive action as may be attracted in such cases.

5. In respect of the candidates allocated to any of the Central Civil Services, attention is invited to this Department's OM No. 11012/7/91-Estt.(A) dated 19.05.1993 as amended from time to time and which already stipulated the action that can follow furnishing of false information or submission of false/ fabricated certificates. The operative part of the said OM is reproduced as below:

"Wherever it is found that a candidate who was not qualified or eligible in terms of the recruitment rules etc., for initial recruitment in service or had furnished false information or produced a false certificate in order to secure appointment, he should not be retained in service. If, he is probationer or a temporary Government servant, he should be discharged, or his services should be terminated. If he has become a permanent Government servant, an enquiry as prescribed in Rule 14 of CCS(CCA) Rules, 1965 may be held and if the charges are proved, the Government servant should be removed or dismissed from service. In no circumstances should any other penalty be imposed."

The aforementioned OM dated 19.05.1993 clearly brings out that disciplinary enquiry involving the matter of securing jobs on the basis of false/fake certificates should be completed in a time bound manner and unscrupulous persons who have got appointment on the basis of fake/false certificates should not be retained in service and should be dismissed/removed from service.

6. This allocation of service is provisional for the candidates who have claimed/availed the benefits of any type of reservation for posts and service in terms of the following instructions.

(i) **OBC/ SC/ST/ PwBD Candidates:** This Department's OM No 11012/7/91-Estt.(A) dated 19.05.1993 as well as other extant instructions in this regard issued from time to time. The allocation is, therefore provisional to this extent and is subject to due verification of OBC/ SC/ST/ PwBD certificate by the Cadre Controlling Authority.

(ii) **EWS candidates:** This Department's OM No No.36039/1/2019-Estt (Res) dated 31.01.2019 as well as other extant instructions in this regard issued from time to time. The allocation is, therefore, provisional and is subject to the 'Income and Asset Certificate' being verified through the proper channels and if the verification reveals that the claim to belong to EWS is fake/false the service will be terminated forthwith without assigning any further reasons and without prejudice to such further action as may be taken under the provisions of the Indian Penal Code for production of fake/false certificate. Accordingly, the appointing authority shall verify the veracity of the 'Income and Asset Certificate' submitted by the candidate through the certificate issuing authority.

7. Please also note the following instructions:

- a) If you do not report to respective Cadre Controlling Authority on before the scheduled date to be decided / fixed by the CCA, it will be presumed that you are not interested in joining the service on the basis of CSE - 2023 and further action regarding cancelling your offer of appointment may be taken without any further notice.
- b) In case, the enquiry as envisaged under Rule 23 of the Civil Services Examination Rules, 2023 is pending in your case, your appointment will be subject to your being found suitable on conclusion of such enquiry and consequent necessary decision by the Government with regard to your character and antecedents.
- c) In case, at any stage, it is found that any Certificate/Document/Testimonial etc. as furnished by you and having a bearing on your eligibility is not in order, then your appointment shall be cancelled forthwith without prejudice to any punitive action under the relevant rules.
- d) As a person having more than one spouse living is not eligible for appointment to Government service, your appointment, too, would be subject to this condition.
- e) Further, the Government has implemented a new structured defined Contributory Pension scheme for new entrants to the All India Service/Central Civil Service w.e.f. 1st January 2004, replacing the earlier system of defined Benefit Pension System. Accordingly, wherever applicable, you will be joining the new contributory pension scheme instead of the earlier defined Benefit Pension System.

8. Please read and note all the instructions carefully and acknowledge the receipt of this letter.

With best wishes for bright and illustrious career!

Yours faithfully

(Anshuman Mishra)
