ANNUAL REPORT

1st April 2024 to 31st March 2025

(2024-25)

PRINCIPAL'S ADDRESS

Sri Venkateswara College has, for over six decades, stood as a beacon of academic excellence, intellectual growth, and holistic education. With a vibrant community of over 4,000 students and more than 300 dedicated teaching and non-teaching staff members, the College continues to foster an environment that inspires learning, innovation, creativity, and social responsibility. Fondly known as "Venky," the institution has earned a distinguished reputation for its academic rigour, vibrant campus life, accomplished faculty, and illustrious alumni who have made significant contributions across diverse fields. As we reflect on another year of remarkable achievements and meaningful progress, it gives me immense pleasure to present the Annual Report for the Academic Session 2024–2025, which captures the milestones, accomplishments, and collective endeavours that continue to strengthen the legacy of Sri Venkateswara College.

The academic year 2024–2025 witnessed remarkable progress across every sphere of institutional life. Guided by the vision of the University of Delhi and the Tirumala Tirupati Devasthanams, the College continued to uphold its commitment to quality education, research, innovation, inclusivity, and social responsibility. The implementation of the National Education Policy and the Undergraduate Curriculum Framework enriched the teaching-learning process through multidisciplinary education, experiential learning, skill development, research orientation, internships, and value-added courses, empowering our students to become competent professionals and responsible global citizens.

It is a matter of immense pride that Sri Venkateswara College continues to be recognised among the leading institutions of higher education in the country. The College retained its prestigious A+ Grade accreditation by the National Assessment and Accreditation Council (NAAC) and secured the 21st position in the National Institutional Ranking Framework (NIRF) 2024 among colleges across India. The institution also earned commendable positions in national rankings by India Today, Outlook-I-Care, and Education World, reaffirming its reputation for academic excellence, quality teaching, research, and student success. These achievements are a testament to the collective dedication, perseverance, and commitment of our students, faculty, staff, alumni, Governing Body, and all stakeholders.

Research and innovation continued to remain the cornerstone of our academic mission. I am delighted to note that our faculty members secured several prestigious externally funded research projects from leading national funding agencies, further strengthening the College's research ecosystem. Among these were a SERB-funded project worth ₹54.12 lakh on the biocontrol potential of endophytes, an ANRF-funded project of ₹48.60 lakh focusing on the design and synthesis of novel anticancer compounds, an ICSSR-funded project on social inclusion and equity under the Viksit Bharat @2047 initiative, and a University of Delhi-funded research project on organisational adaptability during mergers and acquisitions. These projects reflect the confidence reposed by premier funding agencies in the research capabilities of our faculty and reaffirm our commitment to addressing scientific and societal challenges through impactful research.

Our faculty members also continued to receive national and international recognition for their scholarly contributions. I congratulate Dr. Main Pal, Department of Physics, on being awarded the prestigious Visiting Associateship of the Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune, and Dr. S. Seenivasan, Department of Tamil, for receiving the Tamil Nadu State Government Best Book Award and the Teacher Excellence Award 2024. Faculty members across departments enriched the academic profile of the College through high-impact publications, books, patents, consultancy, academic collaborations, and the successful organisation of international conferences, national seminars, workshops, and faculty development programmes.

Our students once again brought laurels to the institution through outstanding achievements in academics, sports, innovation, research, and cultural activities. We proudly congratulate Mahammad Kayom of B.Sc. (Hons.) Biochemistry for creating two Guinness World Records in Rope Skipping, an extraordinary accomplishment that brought international recognition to the College. Our students also excelled academically by securing top University positions and numerous merit medals, scholarships, and endowment awards instituted by the College. We are equally proud of Ranveer Ahlawat, who secured First Position in the Cricket Tournament at IIT Delhi, and Khadiya Faisal, who won First Position in Street Play at Don Bosco Institute of Technology. Students from various departments also excelled in prestigious national and inter-university competitions, particularly in science quizzes, debating, literary events, innovation challenges, photography, filmmaking, music, dance, and theatre. These accomplishments reflect our commitment to nurturing well-rounded individuals capable of excelling in every sphere of life.

The vibrant cultural and co-curricular life of the College continued to flourish through the dedicated efforts of our student societies. Their achievements in music, theatre, dance, debating, photography, literary activities, fine arts, entrepreneurship, and innovation enriched campus life and provided meaningful opportunities for students to develop creativity, leadership, teamwork, and social awareness. The active participation of our students in national festivals, competitions, outreach programmes, internships, and research projects reflects the holistic educational environment that defines Sri Venkateswara College.

Environmental stewardship and community engagement remained integral to our institutional philosophy. The College continued to strengthen its commitment to sustainability through the effective utilisation of solar energy, rainwater harvesting systems, waste segregation and recycling, biodiversity conservation, and extensive tree plantation drives, creating a greener and more sustainable campus. Through the collective efforts of the Eco Club, IQAC, NSS, NCC, departments, and student societies, numerous programmes were organized to promote environmental awareness, climate action, health and hygiene, gender sensitization, rural outreach, community welfare, and social responsibility. These initiatives continue to inspire our students to become environmentally conscious citizens committed to sustainable development.

The Internal Quality Assurance Cell continued to play a pivotal role in promoting quality enhancement through academic audits, faculty development programmes, curriculum enrichment, student support initiatives, and the adoption of best practices. Simultaneously, sustained efforts were made to strengthen digital infrastructure, modernize laboratories, enrich library resources, and create a learner-centric, inclusive, and technology-enabled campus. These initiatives reflect our unwavering commitment to continuous improvement and academic excellence.

The achievements documented in this Annual Report are the outcome of the collective vision, dedication, and tireless efforts of every member of the Sri Venkateswara College family. I express my sincere gratitude to the Governing Body for its constant guidance and encouragement. I also place on record my deep appreciation for our faculty members, non-teaching staff, students, alumni, parents, collaborators, and well-wishers whose unwavering support continues to strengthen this institution.

As we look towards the future, Sri Venkateswara College remains steadfast in its commitment to nurturing academic excellence, promoting cutting-edge research, embracing innovation, strengthening global collaborations, and fostering an inclusive, sustainable, and socially responsible educational environment. Guided by our enduring values of knowledge, character, and service, we shall continue to empower our students with intellectual curiosity, ethical values, scientific temperament, and compassionate leadership so that they may contribute meaningfully to society and the nation. Together, let us build upon our rich legacy and strive towards new milestones of excellence while remaining committed to the ideals that have defined Sri Venkateswara College for over six decades.

I congratulate all our students, faculty members, non-teaching staff, alumni, and stakeholders for their remarkable contributions during the academic year 2024–2025 and extend my best wishes for continued success in all future endeavours.

SPORTS ACHIEVEMENTS

Our students brought laurels to the institution by winning several accolades in various inter-college and intra-college sports competitions throughout the academic year. Their dedication, teamwork, and sporting spirit were reflected in their outstanding performances across different events. The Sports Committee actively encouraged student participation and promoted physical fitness and sportsmanship among students. Dr. Narendra Gaur served as the Convener of the Sports Committee for the session 2024-25.

COLLEGE ASSOCIATIONS
FINE ARTS ASSOCIATION (FAA)

NAME OF THE SOCIETY	ABOUT THE SOCIETY
ALAAP	Alaap, the Indian music society of Sri Venkateswara College, founded in 2004, is renowned for its technical classical compositions and performances in complex rhythmic cycles. It was among the first societies to experiment with the 'Raagmala' presentation format. Alaap has also explored the concept of 'Jasrangi,' named after its creator, Pandit Jasraj, which involves the simultaneous rendition of two raags. The society has performed remarkable compositions such as Raagsagar and Samay Chakra, showcasing excellence in rendering multiple raag compositions through a choir of 12–15 vocalists. Alaap was also ranked as the No. 1 society by DU Beat in 2017. President: Lakshita Singhi; Vice-President: Keerthana AV
ANUBHUTI	Anubhuti is the Dramatics Society of Sri Venkateswara College. Established more than 25 years ago, Anubhuti specializes in Stage and Street plays to showcase dramatic narratives through stage plays and tackle societal issues through street plays. Anubhuti also organizes its annual theatre event "Madari," inviting the top teams to come and compete and showcase their plays. Co-Presidents: Muskan Saini & Neeraj Panwar Vice-President: Parv Gupta
CONQUIZTADORS	The Quiz Society of Sri Venkateswara College is known for its dedication to promoting quizzing culture within the college and has been instrumental in nurturing a vibrant community of quiz enthusiasts. With its inclusive approach, the society has consistently organized both intra- and inter-college quiz competitions, providing a platform for students to expand their horizons beyond the confines of the classroom. President: Yash Bansal; Vice-President: Manan Baloni
CRESCENDO	Crescendo, the western music society of Sri Venkateswara College, is a long-standing group of versatile musicians. We have a talented set of members, each of whom possesses unique skills. We nurture, encourage, give and take knowledge, and create beautiful journeys. Being a member of Crescendo would make one grow both as a team and as an individual performer.

	Co-Presidents: Durani Shikha Kakoty & Atharva General Secretary: Nandita Krishnakumar
EFFULGENCE FILMS	Effulgence Films is a prosperous tribe of filmmakers. Our involvement in all aspects of filmmaking, right from concept development and scripting to filming and editing, ensures that we give everyone practical experience of the creative process. Moreover, our emphasis goes beyond technical expertise into administrative chores that will help them prepare for future endeavours. In line with this, our collaborative projects as well as hands-on lessons enable us to comprehend the film industry better. We also like joining intercollegiate contests because they let us know new approaches, trends, and fashions, which open up our filmmaking forays wider than ever before. President: Madhulika Chakraborty; Vice-President: Ananya Dhankar
EFFULGENCE PHOTOGRAPHY	Effulgence - The Photography Society of SVC is dedicated to nurturing budding photographers. Through regular photo walks across Delhi, members explore their creative potential together. The society actively participates in inter-college competitions, providing a platform for students to showcase their talent. Additionally, Effulgence organises workshops and sessions to enhance members' photography skills and knowledge. President: Peehu; Vice-President: Shraddha
LEONCI	The Leonci Art Society, the art hub of Sri Venkateswara College, pulses with creative energy. The Leonci Art Society has orchestrated a series of captivating events that showcase its commitment to inclusivity and a diverse artistic mindset. A dynamic community of gifted individuals, the society serves as a canvas for diverse talents. From mesmerizing exhibitions that feature a range of creative styles to engaging workshops that invite individuals from all backgrounds, the society thrives on embracing and celebrating a wide array of artistic ideas. This fosters an environment where every voice is heard and every perspective is valued, contributing to a rich tapestry of creativity that defines the essence of the society. As a melting pot of imagination, the Leonci Art Society celebrates the fusion of passion and proficiency. It's an inspiring platform where students harness their creativity, making it a vibrant cornerstone of the college's artistic landscape. President: Siddhant Singh; Vice-President: Hema Harini
NRITYA	Nritya is the choreography society of Sri Venkateswara College, specialising in contemporary and jazz dance forms. As a thematic dance society, we strive to tell compelling stories through our performances, blending artistry with meaningful narratives. Our

	repertoire includes diverse themes that resonate with various audiences, ranging from classical tales to modern social issues. We are a close-knit family at Nritya, supporting each other both on and off the stage. In addition to our thematic performances, we actively participate in our college events, showcasing our versatility with vibrant Bollywood choreographies. We aim to foster creativity, teamwork, and technical excellence, providing a platform for students to express themselves and grow as dancers. President: Krishna Kaicker Vice-President: Neelam
NRITYANGANA	Nrityangana is the Indian Dance Society of Sri Venkateswara College, showcasing a blend of folk and classical dance forms. Our society is dedicated to promoting India's rich cultural heritage through captivating performances and innovative dance productions. President: Kinjal Banerjee; Vice-President: Samiksha Pradhan
PETRICHOR	Petrichor, a society of convivial quills, is home to writers and poets with multifaceted approaches to literature. We regularly practice private writing sessions with stimulating prompts and commands that help trigger a magical spark in the members of our family and hence evolve into the literary artists we wish to be. Indifferent to the ranks we possess as individual litterateurs, be it a newly beginning soul brimming with passion or a polished novice with words that hit the heart, our community holds a warm spot for us all, giving us a kinship beyond any other. Co-Presidents: Parkhi & Yashika; General Secretary: Nitya
VERBUM	Verbum, the English Dramatics Society, is the theatre society of Sri Venkateswara College, where creativity meets the stage, and narratives come to life through the power of theatre. Verbum, whose name is derived from the Latin word for "word," embodies the essence of expression, communication, and storytelling. The society has a rich history of captivating performances and innovative productions. Verbum has cemented its reputation as a cornerstone of artistic excellence within the college community and beyond. Over the years, the society has been a part of various reputed theatre festivals, including Atelier's Campus Theatre Festival, Inter-Rajpal, Thespo, among others. President: Mayank Srivastav; Vice-President: Noor Chawla
VERVE	Verve Dance Crew is the western and street dance society of Sri Venkateswara College, passionate about showcasing talent and creativity on stage. They participate in various competitions, represent their college, and empower individuals to break free from their shells, build confidence, and unleash their potential through

	dance, fostering a culture of inclusivity and growth, making their mark in the dance circuit. President: Bhavya Arora; Vice-President: Piyush Samant
VIMARSH	Vimarsh - The Hindi debating society of Sri Venkateswara College, University of Delhi, has been a student attraction for the pursuit of knowledge. The community aims to uncover the art of debate and develop an attitude of critical thinking in individuals. Events organised by Vimarsh are filled with joy, debate, and memories. Competitions like – प्रवेश (freshers' parliamentary debate), मथन (senior parliamentary debate), Swaroop (Annual Conventional Debate), Durgabai Deshmukh turncoat debate, etc., not only hold a special place in the college campus but in the whole of Delhi University as a memory to carry forward. The society stands as a support system for its members and a source of pride for the college. President: Mantu Kumar; General Secretary: Rakhi Mishra

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) functions as a monitoring and auditing body within the institution. It oversees and evaluates the quality of initiatives across all domains of college operations, ensuring continuous improvement in academic and administrative processes. Through its guidance, stakeholders are encouraged to enhance the effectiveness and impact of their initiatives, making them more beneficial for students, faculty, administration, and the wider community. Additionally, the IQAC regularly organizes college-wide awareness programs and events aimed at identifying and addressing gaps in existing processes, thereby fostering a culture of quality enhancement and institutional excellence.

DEPARTMENT ASSOCIATIONS

Biochemistry – Teacher-In-Charge – Dr. Sidhartha Taritla

The collective vision of stalwarts like the eminent biochemist Prof. B.K. Bachhawat (Department of Biochemistry, UDSC) and Dr. V. Krishnamurthy (ex-Principal, Sri Venkateswara College) led to the genesis of the Department of Biochemistry at SVC. Starting as an offshoot of the Department of Chemistry, this department has blossomed into an entity known for quality teaching. The department also has the unique distinction of offering a one-year P.G. Diploma in Molecular and Biochemical Technology since 1990, which aims to train manpower for life-sciences-based research labs in both industry and academia. The Biochemistry department also participates in cooperative teaching of the students of another undergraduate multi-disciplinary course, namely B.Sc.(H) Biological Sciences.

The department organizes an academic festival entitled ‘CATALYSIS’ each year, wherein the students select an area of interest and then go on to collect articles, crosswords and puzzles which come together in the form of a magazine, aptly called ‘Expressions’. AMALGAM, an inter-college mixed bag competition, is the signature event of our department. Several students of the department have also made a mark in extracurricular activities like music, dance and sports.

Botany – Teacher-In-Charge – Dr. Pooja Gokhle Sinha

The Department of Botany was established in 1973 and has since grown into a hub of excellence in teaching and research. It is home to 15 distinguished faculty members with expertise across various branches of Plant Sciences, supported by a dedicated team of 10 non-teaching staff. The department provides students with a comprehensive education through innovative methodologies and hands-on training, frequently organizing workshops to enhance practical learning. Special emphasis is also placed on integrating novel ICT tools to advance both teaching and research. Currently, the department houses three laboratories, a Botanical Museum, and a small research facility. Faculty and students also have access to modern amenities such as a tissue culture unit and open-top chambers, supporting practical exposure in contemporary areas of plant sciences. The department is committed to capacity building by imparting essential practical skills, shaping students into socially responsible scientists and citizens.

Chemistry -Teacher-In-Charge – Prof. Sanjay Kumar

The president of the society was Mr. Nitesh Kushwaha, a 3rd year Chem Hons. student for the year 2024-25, while the vice-president was Ms. Nandini Pabreja, a 3rd year Chem Hons. student for the same academic year. Rasagya, the Chemical Society of Sri Venkateswara College, offers students a vibrant and inclusive platform to explore and showcase their talents across a wide spectrum, ranging from leadership, arts, and technology to science, quizzing, and organizational skills. The society promotes active engagement and acknowledges students' dedication through appreciation from faculty members and recognition in various competitions. With a highly supportive and approachable faculty, students receive consistent guidance in overcoming challenges while being encouraged to pursue new opportunities. Through its nurturing and collaborative environment, Rasagya plays a pivotal role in fostering creativity, skill development, and holistic growth.

The key aims of the society are:

- Developing young and skilled scientists for the growth of Modern Science.

- Imparting knowledge about recent developments in the field of Chemistry and allied disciplines through various invited lectures, workshops, and seminars by Eminent scientists.
- Increasing popularity and likeability towards the subject among students.
- Creating scientific temperament and writing skills towards a possible career in research and innovation.

Commerce -Teacher-In-Charge: Dr Shruti Mathur

The Department of Commerce, under the supervision of Ms. Angel Josy Lakra, has launched the Commerce Gazette, the official magazine of the Department of Commerce at Sri Venkateswara College. In addition to the annual magazine Kaarobar, a quarterly newsletter is published to ensure continuous engagement and panoramic dissemination of information. The Committee has started an article series titled *Trend Vantage Weekly on* Instagram and LinkedIn. This series features insightful articles on contemporary global happenings, offering a crisp perspective on current issues. These publications offer an exhaustive overview of everything that transpires within the department over each tenure, including the bi-annual and annual gatherings, speaker sessions, faculty paper publications, student-contributed articles, competitions, and extracurricular activities.

Name of the Association: The Commerce Society/Association Convenor: Dr. Vinod Kumar

The Commerce Association, popularly known as Comsoc, is the apex society of the Department of Commerce. The ComSoc is an association of vibrant commerce students that works throughout the year for the benefit of our college students, from conducting seminars and workshops and competitions to organizing freshers' and farewell events for commerce students. It provides a platform for students to showcase their talents in various commerce-oriented events and helps them enhance their analytical and decision-making skills, teamwork, critical thinking, and creative learning, as well as build self-confidence.

Economics -Teacher-In-Charge - Dr. S Krishnakumar

Association in charge: Dr. Sonakshi Jain (till Dec 2024) and Dr. Abhishek Malhotra (December 2024 till the end of the academic year)

The Department of Economics at Sri Venkateswara College stands among the most distinguished departments in the University of Delhi, home to both innovative pedagogy and known for its emphasis on curricular and extra-curricular activities. Over the years, it has nurtured a vibrant community of alumni while also welcoming eminent academics, researchers, and economists as faculty — professors and instructors who go beyond the syllabus for lectures and workshops.

Beyond academics, the extracurricular life of the department is organised by the Economics Association. With its dedicated team of officer-bearers and members, the Association takes the lead in organising the BLISSPOINT, the flagship annual fest of the Department, which has earned a strong reputation across the undergraduate student circles.

Electronics -Teacher in Charge: Prof. J Lalita

B.Sc. (H) Electronics was introduced in the college in the year 1987-88 to groom the students for courses like M.Sc. Electronics, Master's in Informatics, Master's in Computer Applications, etc. Over the past 35 years, the Electronics Society has grown leaps and bounds in terms of a shift in its approach from pure academics to one of Experiential and Hands-on learning. The name LUMINOUS-The Electronics Society came into existence very recently in the year 2023. The society has played a pivotal role in bridging the gap between theoretical knowledge and practical application by providing a platform for students to engage in hands-on projects, workshops, and competitions, fostering innovation and technical skills. The society also facilitates networking opportunities with industry professionals and alumni, offering insights into career paths and advancements in technology. In the year 2018, the society released its first Magazine —AANVIK|| – which is a unique blend of knowledge, creativity & innovation and explores contemporary themes like Meta World and Green Electronics. The annual technical fest ‘AMPLIFIER’ is organized every year, which involves invited talks by eminent scientists, academicians, and Industry experts along with technical and non-technical activities.

Life Science - Coordinator: Dr. P. Jayaraj

Adhibhuta: The Life Sciences Society of Sri Venkateswara College, founded in the year 2021, is a well-established departmental society of Sri Venkateswara College, which focuses on the interdisciplinary nature of Life Sciences and showcases the same through multiple events, including seminars and competitions. This year, we saw tremendous growth in society participation with multiple sessions, competitions, and events. We conducted hands-on workshops, guidance seminars, and organised our annual event with inter-college participation in multiple competitions, which were conducted in offline mode. Adhibhuta has a current strength of 40+ dedicated members, actively working to take the society to greater heights.

Mathematics - Teacher in Charge: Ms Pratibha Gaur

The Department of Mathematics has been a foundational pillar of Sri Venkateswara College since the institution's establishment in 1961. The department is dedicated to grooming students for advanced trajectories in pure mathematics, applied statistics, data analytics, and computational sciences. Over the decades, the Mathematics Department has grown significantly, reflecting a progressive shift in its approach from purely abstract, theoretical frameworks to one that heavily integrates experiential learning and real-world application. By fostering an environment of rigorous academic inquiry and continuous innovation, the department ensures students are well-equipped to navigate emerging career paths and contemporary technological advancements. The vibrant student life and community engagement within the department are driven by Trisectrix, the official Mathematics Association. Trisectrix is the backbone of departmental culture, taking charge of organizing a wide spectrum of events throughout the academic year. This includes hosting the Fresher's welcome and Farewell parties, celebrating Teacher's Day, and organizing community-building events like the Kite Flying Festival. Beyond cultural events, the association actively facilitates professional and social development through educational seminars, a dedicated career fair, and a philanthropic donation drive.

The crowning achievement of Trisectrix is the organization of Exponent, the highly anticipated two-day annual departmental fest. Exponent bridges the gap between serious academic discourse and interactive learning. The festival is anchored by a formal seminar where a guest speaker and a distinguished professor address the students, highlighted by the professor presenting a formal research paper. Following the academic proceedings, the fest transitions into a vibrant lineup of activities. Attendees can participate in formal paper presentations alongside a variety of interesting mathematical games like Coded Decoded, Math-e-Charades, Mathematical Tambola, and the Number Mela. To ensure a well-rounded and inclusive experience, the fest also features a highly engaging, casual, and fun Treasure Hunt that steps away from strict mathematics to focus purely on teamwork and enjoyment.

Physics - Teacher in Charge: Dr. Anunay Kumar Chaudhary

Principia: The Physics Departmental Society of Sri Venkateswara College, Convener: Dr. Vivek Panwar
Sri Venkateswara College's Department of Physics was established in 1973, with the intent to teach additional physics in the B.Sc. General Group B course. Eventually, in 1984, the college started the B.Sc. (General) Group A course with a specialization in electronics, primarily run by the Department of Physics. Its enormous success later led to the introduction of the B.Sc. (Honours) Electronics course in 1987.

The Department of Physics has evolved significantly over the period of its existence, integrating theoretical knowledge and scientific acumen with practical application in its efforts to embrace and provide a holistic approach to education. This shift has facilitated the development of a vibrant educational environment encouraging experiential learning, research, and collaborative projects to provide its students with the necessary exposure to enhance their skills and encourage the pursuit of science at higher levels. The department has multiple initiatives, including the department society – Principia, which is a student-led society organising various events including seminars, workshops and competitions, besides handling the department magazine and the annual fest Singularity – which serves as the highlight of the academic year, as participants from all over Delhi partake in interactive sessions and competitions, featuring distinguished guest speakers and a jury from academia and industry.

Quintessence – the department magazine is a showcase of student creativity and research, as they reflect on contemporary physics and interdisciplinary topics and developments. The department holds a strong commitment to ensuring dynamic learning experiences to enrich the educational journey of its students across various aspects. It boasts of a strong and well-established alumni network that plays a crucial role in mentoring current students and in fostering connections within the scientific community.

Political Science - Teacher-in-charge – Mr. Haokam Vaiphei

The Political Science Student Association at Sri Venkateswara College is a student-led body under the Department of Political Science, dedicated to fostering student engagement. Over the years, the association has organized various competitions and educational seminars to enhance interaction and develop critical thinking among students. The association also provides opportunities for students to engage directly with esteemed alumni through flagship events such as Roobaroo. Introspect, the annual departmental fest, invites participation from students across various Delhi University colleges for both intra- and inter-college competitions. Recently, the association launched a lecture series named Pravah, which exposes students to diverse topics in politics and governance. Through its events and seminars, the Political Science Student Association aims to promote growth in the subject and offer varied perspectives on different themes within Political Science. Additionally, it ensures a lively and engaged environment through cultural activities such as movie screenings, Teachers' Day celebrations, and farewell events.

Sociology- Teacher-in-charge - Dr. Satheesh Perumalla

The Department of Sociology at Sri Venkateswara College continued to consolidate its position as a vibrant centre for sociological learning, academic excellence, and student engagement during the academic year 2024–2025. Guided by a commitment to critical inquiry, interdisciplinary dialogue, and holistic education, the Department successfully integrated classroom teaching with a wide spectrum of academic, co-curricular, and student-led initiatives. Through seminars, academic lectures, publications, competitions, cultural events, and leadership opportunities, the Department created a dynamic learning environment that encouraged students to critically engage with contemporary social issues while developing professional competencies and leadership skills.

The Department commenced the academic session with an Orientation Programme for first-year students, followed by the Students' Association Election to promote student leadership and participation. A Freshers' Programme and Annual Sports Week fostered interaction, teamwork, and holistic development. Academic activities included a Career Counselling Seminar by Dr. Rupamanjari Hegde on opportunities in the education sector and the Annual Seminar by Prof. Abhijit Dasgupta on qualitative sociological research. The Department successfully organised its flagship annual festival Conscience Collective '25, featuring academic, literary, and cultural competitions with wide participation from across the University of Delhi. A farewell programme was held in honour of Dr. Abhijit Kundu. The Department also published its annual magazine to encourage research, creative expression, and critical engagement. Students excelled in several inter-college and intra-college academic, literary, cultural, and leadership competitions, bringing laurels to the Department.

Statistics -Teacher-in-charge: Prof M.K. Sukla

Statistical knowledge helps you use the proper methods to collect the data, employ the correct analyses, and effectively present the results. Statistics is a crucial process behind how we make discoveries in science, make decisions based on data, and make predictions. Statistics allows you to understand a subject much more deeply. The Department of Statistics, Sri Venkateswara College, University of Delhi, was established in the year 1977. The department offered undergraduate and postgraduate courses in statistics. The department has earned for itself an excellent reputation in teaching and research with specialization in Statistical Inference, Design of Experiments, Survey Sampling, Econometrics, Bio-Statistics, Reliability, and other applied areas. The department has its own Computers Labs having 40 computers, with Software like SPSS, STATA, R, etc. There is a good collection of books in the department with the latest titles in various areas of statistics. To impart quality education in theoretical and practical aspects of statistics to students in order to prepare them for research opportunities, professional courses for high-salaried and challenging jobs mission. We are constantly seeking better ways to do that in more and more challenging situations, using mathematics, computing, and insight.

Tamil – Teacher-in-charge - Prof. S. Seenivasan

In 1961, when the College was established, the Department of Modern Indian Languages also opened to teach Tamil and Telugu languages. Since then, this prestigious College is also recognized as the Centre for Dravidian Languages, Literature and Culture of Tamil Nadu in Delhi. While the College was started in the year 1961, Tamil Manram was also started by the Tamil Lecturer Dr. Kanaga Soundari Mahalingam. The office bearers of the Tamil Manram, such as President, Vice-President, Secretary and Joint Secretary, are elected every year by the students of Tamil origin studying in the college. The activities of Tamil Manram and the artistic creations of the students in the form of notices, articles, poems, paintings, caricatures, jokes and tidbits were displayed in the Notice Board called "Ethirola" (Echo), which has an Editor and a Sub-Editor. Delhi University Inter-College Debate and Music Competition were conducted every year. The winners in these competitions were given shields and certificates. Department of Tamil conducts the Tamil Manram Annual Day Function every year in February/March. The Tamil Manram holds various literary activities and annual lectures for students and invites eminent literary personalities to address the faculty and students. The Tamil Manram conducts literary competitions (Essay writing, Verse writing, Short-story writing) and other competitions such as singing, rangoli, elocution, and quiz throughout the year. The contributions of the students cover contemporary issues, including essays on literature and grammar, and highlight social, political, economic, and historical events and topics. The winners in these competitions are awarded prizes and certificates in the Tamil Manram Annual Day function. Most of the contributions of the students are published in the College Magazine 'Neerajana'.

Telugu Department– Convener -Dr. T. Satheesh

Department of Telugu is one of the earliest established faculties in the college and is widely recognized for promoting the language and culture of Telugu people in Delhi. The department began its journey in 1961 under the leadership of Sri Uppada Raja Rao, a distinguished scholar and poet, with a small group of nine B.A. (Pass) students. With the support of TTD management, the University of Delhi, and various cultural organizations, he laid a strong academic foundation. He also established the Telugu Bhasha Parishath, launched the wall magazine *Andhri*, edited the first issue of the college annual magazine *Neerajana*, and developed a well-equipped library. In 1975, Sri H.S. Brahmananda contributed to the department with his expertise in Lambadi language and folklore. The department gained prominence under Dr. A. Anjaneyulu (1976–2006), whose dedicated efforts strengthened its academic reputation. Dr. S. Chandrasekhar (1979–2015), Dr. Elchuri Muralidhara Rao (1981–2019) further enriched its academic and cultural contributions in Delhi. At present, the department has two faculty members who continue its legacy. Dr. T. Satheesh is well known for his editorial work '*Chera Sarvaswam*', which has received wide recognition. Dr. Dattaiah Attem is a prolific writer whose works '*B.C. Vada Sahityam*' and '*Saramsham*' (in two volumes) are used as reference books in six universities. He has published twelve books so far.

The annual Telugu fest 'Aamani' is organized every year, which involves invited talks by eminent Telugu scholars, academicians and Telugu experts along with technical and non-technical activities. The department continues to play a vital role in preserving and promoting Telugu language, literature and culture in Delhi.

Hostel Association

The Sri Venkateswara College Hostel, located within the College campus, was set up in 2008. It consists of two blocks, the Sri Balaji Boys Hostel and Sri Padmavathi Girls Hostel. The residence is a harmonious coexistence of multicultural, multi-ethnic, and multi-religious nature, and is representative of the SVC character. The Hostel provides accommodations for 150 students, 75 each for boys and girls. The on-campus residential facility is offered to full-time undergraduate students admitted to the first year are 25 each in the Boys and Girls Hostel. Only those students whose parents do not reside in or around the National Capital Region of Delhi (Gurgaon, Noida, Greater Noida, Ghaziabad, Faridabad, etc.) are eligible for admission. Due to the limited availability of accommodations, admission to the hostel is granted based on academic merit. The allocation of hostel rooms is decided by the Hostel Committee. The Hostel administrative functionaries, in cooperation with the Hostel Students Association, work towards the efficient and smooth function of the Hostel. The Hostel provides mess facilities for every resident to join the mess from the day they take possession of their room. Hostel Warden:

1. Sri Padmavathi Girls Hostel: - Dr. P. Devaki has been the Warden of Sri Padmavathi (Girls) Hostel since June 2024.
2. The Sri Balaji Boys Hostel:- Prof. Mukti Kanta Sukla has been the convenor of the Hostel Committee and Warden of Sri Balaji Boys Hostel since June 2024.

COLLEGE ASSOCIATIONS

BRAINIACS - THE DATA SCIENCE HUB

Convener: Dr. Chetan and Dr. Brainiacs: the Data Science Hub of Sri Venkateswara College is a student-driven community of data enthusiasts committed to creating a dynamic learning space for individuals interested in data and technology. As the only organisation of its kind led by students on campus, Brainiacs hosts flagship events such as HACKVERSE and DATA FIESTA, providing hands-on experience through competitions and workshops. While its primary emphasis lies in data science, the community actively supports students from non-technical backgrounds by offering training sessions on fundamental tools like Python, SQL, and other useful tools, enabling them to build relevant skills for career advancement. Through its inclusive and supportive ecosystem, Brainiacs encourages students of all experience levels to harness the potential of data and technology, ultimately aiding in their overall professional growth.

ECO CLUB -Convener: Dr. Pooja Gokhale Sinha

The Eco Club of Sri Venkateswara College is a group of environment enthusiasts. The Eco Club of Sri Venkateswara College actively organized multiple environmentally focused events during the academic year, reflecting its commitment to sustainability and awareness. The Green School Initiative conducted at Navyug School engaged over 150 students through interactive quizzes and plantation activities, emphasizing practical environmental responsibility. The National Environment Youth Parliament 2025 provided a platform for intellectual discourse, where students participated in debates on contemporary environmental issues, fostering critical thinking and policy awareness. Additionally, during Swachhata Pakhwada 2024, a two-week waste paper collection drive resulted in the successful recycling of 749 kg of paper, demonstrating the impact of

collective action. Overall, these initiatives significantly contributed to environmental education, community engagement, and the promotion of sustainable practices among students.

EMPATHISE - Convenor – Dr. Ritika Singh

Empathise is the mental health society of Sri Venkateswara College dedicated to promoting awareness and understanding of mental health among its members and the wider community. The society aims to create a safe and positive environment where individuals can openly discuss and learn about mental health issues. To achieve this goal, Empathise conducts regular activities, events, and workshops designed to promote self-love, positivity, and mental well-being. The society also creates thought-provoking content on mental health topics intended to educate and inform the community. In addition, Empathise organizes online and offline sessions to provide a space for open dialogue and self-healing. These sessions are led by trained professionals and are designed to be inclusive, safe, and non-judgmental. They aim to create an environment where individuals can share their experiences and gain support from others who understand and relate to their struggles.

MODEL UNITED NATIONS AND GLOBAL AFFAIRS SOCIETY –

Convener: Mr. Ashish Kumar Thakur

The Model United Nations & Global Affairs Society of Sri Venkateswara College continues to serve as a premier platform for dialogue, diplomacy, and debate. Through its activities, the society provides students with opportunities to step into the role of delegates and policymakers, engaging with pressing global and national issues while honing their research, public speaking, and leadership skills.

Over the past year, the society has further strengthened its presence in the academic and youth engagement circuit, coordinating with MUNs across Delhi and pan-India, and sending competitive delegations to represent the college at reputed conferences. This steady growth has reinforced our reputation for quality orators, articulate debaters, and inclusive events.

The flagship conference also had the gracious presence of Mr. Kozi Sato as Chief Guest, whose insights added immense value to the proceedings. In addition, the society successfully introduced a new flagship initiative, Lok Samvaad, a youth parliament simulation that drew wide participation and acclaim. The event not only

expanded our portfolio but also underscored our commitment to fostering dialogue on issues of national relevance. With its expanding scope and consistent impact, the Model United Nations & Global Affairs Society remains dedicated to nurturing the next generation of leaders and thinkers at Sri Venkateswara College.

PLACEMENT CELL -Convenor -Dr. Mamta Arora

During the academic year 2024–2025, Sri Venkateswara College's Placement Cell successfully maintained its reputation by providing a variety of internship and placement opportunities for students from various disciplines. More than 110 students received offers from 52 reputable companies, up-and-coming startups, and top corporations. The strength and variety of opportunities offered were demonstrated by the highest package offered this year, which was ₹13.38 LPA, while the mean and median packages were ₹6.17 LPA and ₹5.43 LPA, respectively. Around 350 people registered for the ninth edition of the college's annual Internship Fair, which took place in March 2025. The presence of Mr Leandro D'Sylva, Training Director at Miller Wymann Training Inc., USA, who joined the event as the Chief Guest and shared valuable insights from his international experience, further elevated the occasion. Internships were available across domains from 58 startups, non-profits, and corporations, including Saksham Foundation, Bajaj Capital, Enord, Rural HandmadePehchaan, and Upriver.

WOMEN'S DEVELOPMENT CELL – Convener: Dr. Padma Priyadarshini

The Women's Development Cell of Sri Venkateswara College (WDC SVC) is a mandated body established in accordance with Section 3.2 (15) of the UGC Guidelines on the Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions, 2015. The Cell is dedicated to promoting a gender-aware and gender-just campus environment while also fostering awareness of progressive perspectives, attitudes, and skills needed to build equitable spaces beyond the institution.

The WDC SVC adopts a two-pronged approach in its functioning—both theoretical and practical. The theoretical component includes conferences, seminars, and panel discussions, whereas the practical aspect focuses on gender sensitization initiatives, community outreach, and awareness programmes. Through these efforts, the Cell strives to create an inclusive, participatory, and diverse community, addressing gender-related concerns comprehensively and holistically.

YOUTH INDIA FOUNDATION – MR. AASHISH JAIN

Youth India Foundation (YIF) is a social entrepreneurship platform where youth from all over the nation unite at the college, state, and national levels to implement their skills and knowledge to develop social entrepreneurship models. YIF establishes an ecosystem for students at the college level and helps them to create their own social entrepreneurship startups to provide permanent solutions to the community. Thereby, the foundation facilitates students to learn how to build and conceive their own revenue-generating models, along with imparting knowledge of the corporate environment by situating students in the departments of HR, IT, PR, Finance, and Marketing. Youth India Foundation is an entity registered under the Indian Trusts Act of 1882. It is India's largest youth-driven social entrepreneurship platform and is operating in 70+ college chapters across 7+ states, PAN India. We try to bring change for a better tomorrow.

180 DEGREES CONSULTING Convener: Dr. Dipika

The *Sri Venkateswara College Branch of 180 Degrees Consulting* was founded in 2020 by a team of socially responsible and intellectually stimulated individuals of Sri Venkateswara College, one of the most prestigious colleges of Delhi University with a distinguished faculty, diverse range of programmes, innumerable co-curricular activities and highly rewarding career opportunities. The branch had a significant development recently in February 2024: the signing of a Memorandum of Understanding with Sri Venkateswara College. This strategic relationship represents a significant step toward the smooth coordination of impactful events and the improvement of the branch's operations. 180DC SVC works with socially conscious organizations, guiding them in tackling the most pressing business challenges faced by them by providing consultancy services tailored to their needs using 21st-century technological tools. In the past year, 180DC SVC has provided 1200+ hours of consulting in 8+ projects with a diverse set of clients ranging from Non-Profits to start-ups. Alongside consulting services, the branch believes in constant upskilling and development of students; this belief has led to the branch organizing 7+ external sessions with

reputed speakers from different industries to inculcate skills and knowledge for the student community.

6. Served as Resource Person for the Gurukul Two-day Bridge Programme, organized at Sri Venkateswara College on 11–12 February 2025.
7. Served as Department Coordinator and Resource Person for the Training Workshop for Laboratory Staff, organized at Sri Venkateswara College from 17–24 January 2025.

Member of Society:

1. Member of the Indian Science Congress Association.

DEPARTMENT OF BOTANY

Dr. Manoj Thakur

Dr. Manoj Thakur, Assistant Professor in the Department of Botany, published two research papers in internationally reputed journals during the academic session 2024–2025. He actively participated in national and international academic events, served as Co-convener for faculty development and bridge programme workshops, and presented a research poster at an international symposium. His research focuses on DNA repair mechanisms, molecular biology, bioinformatics, microbial genetics, and plant–microbiome interactions.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Participated in the Workshop on "Well-being and Work-Life Balance", organized by IQAC, Sri Venkateswara College, University of Delhi, on 13 November 2024.
2. Served as Co-convenor of the faculty workshop "Mastering MS Word and Excel", organized by IQAC and ICT, Sri Venkateswara College, University of Delhi, on 11 September 2024.
3. Served as Co-convenor of the SVC Gurukul: Vidyalaya se Mahavidyalaya Tak Bridge Programme, organized by IQAC (Criterion II), Sri Venkateswara College, University of Delhi, on 11–12 February 2025.
4. Participated in the 8th International Symposium on Bioinformatics (InSyB 2024): "From Codes to Cells: Advances in Bioinformatics", held in New Delhi on 29 November 2024.
5. Presented a research poster at the 8th International Symposium on Bioinformatics (InSyB 2024): "From Codes to Cells: Advances in Bioinformatics", held in New Delhi on 29 November 2024.

Dr. K. Prasad

Dr. K. Prasad, Assistant Professor in the Department of Botany, published two research papers and one book during the academic session 2024–2025. His research focuses on plant taxonomy, floristics, and biodiversity, with significant contributions to the documentation of endemic and newly discovered plant species from the Eastern and Western Ghats of India. He teaches undergraduate courses in Botany and actively contributes to research in plant systematics.

DEPARTMENT OF CHEMISTRY

Dr. Vinita Kapoor

Dr. Vinita Kapoor, Assistant Professor in the Department of Chemistry, published two scholarly articles during the academic session 2024–2025. She actively participated in a faculty workshop on well-being and work-life balance. Her academic interests include science education, educational technology, artificial intelligence in education, and the development of 21st-century skills for learners.

Papers Published:

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1.Participated in the workshop entitled "Wellbeing and Work-Life Balance", organized by the IQAC, Sri Venkateswara College, University of Delhi, on 13 November 2024.

Dr. Shikha Gulati

Dr. Shikha Gulati, Assistant Professor in the Department of Chemistry, published three research papers in internationally reputed journals, edited one Springer book, and authored four book chapters during the academic session 2024–2025. Her research focuses on nanotechnology, nanobiopolymers, green nanomaterials, photocatalysis, environmental remediation, wastewater treatment, targeted drug delivery, and sustainable materials. Her scholarly contributions emphasize the application of nanomaterials and artificial intelligence for environmental and biomedical applications.

Papers Published:

Dr. T. Vasantha

Dr. T. Vasantha, Assistant Professor in the Department of Chemistry, received two prestigious national and international honours during the academic session 2024–2025. She presented a research paper at an international scientific congress hosted by IIT Madras. Her research interests include thermodynamics, ionic liquids, protein model compounds, peptide chemistry, and biomolecular stability.

Honours/Distinctions:

- 1.Harsh Manchanda Young Scientist Award–2024, conferred by the Indian Thermodynamics Society (ITS) during the 18th International Congress on Thermal Analysis and Calorimetry (ICTAC 2024), held at IIT Madras, Chennai, from 2–7 September 2024.
- 2.Divine Wisdom Award for Spiritual Education (International Felicitation) – 2025, conferred during the Spiritual and Value Education Summit, New Delhi, jointly organized by Dr. Keshav Baliram Hedgewar Vishwa

Hindu Vidyapeeth, the Educational Standards and Testing Council of India, the International Association of Educators for World Peace, IGTMSU, IIEE, and International University, Nagaland.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Presented a research paper entitled "Thermodynamic Contribution of the Structural Basis for the Enhanced Solubility and Stability of Protein Model Compounds and Peptide Backbone Unit in Ammonium-Based Ionic Liquids" at the 14th National Conference of the Indian Thermodynamics Society (ITS), held as part of the 18th International Congress on Thermal Analysis and Calorimetry (ICTAC 2024), hosted by IIT Madras, Chennai, from 2–7 September 2024.

Dr. K. Murali Mohan Achari

Dr. K. Murali Mohan Achari, Assistant Professor in the Department of Chemistry, published four research papers in internationally reputed journals during the academic session 2024–2025. His research focuses on synthetic organic chemistry, heterocyclic chemistry, catalysis, and the development of modern organic synthetic methodologies. His publications highlight recent advances in the application of reagents and catalysts for efficient organic transformations.

Patent Granted:

Kothandaraman Ramanujam, Kandregula Ganapathi Rao, & Ramavath Janraj Naik. Metal Oxynitride Based Photo-rechargeable Supercapacitor. Indian Institute of Technology Madras (IIT Madras). Indian Patent No. 556350, granted on 16 December 2024.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Delivered an invited talk entitled "Exploring Carbon-Electrolyte System for High Voltage Electrical Double Layer Capacitors" at the Two-day National Conference on Advances in Chemical Sciences, organized by Andhra Loyola College, Vijayawada, Andhra Pradesh, held from 6–7 March 2025.

DEPARTMENT OF COMMERCE

Dr. Pooja Jain

Dr. Pooja Jain, Assistant Professor in the Department of Commerce, actively contributed to academic and faculty development activities during the academic session 2024–2025. She served as a Resource Person and Organizer for a two-day Bridge Course on Excel and participated in several faculty workshops and development programmes related to management accounting, spreadsheets, work-life balance, and investor awareness. She teaches undergraduate courses in Commerce and contributes to enhancing teaching-learning practices through the integration of technology.

Workshop/Seminar/Conference/FDP/FIP Attended:

1. Served as Resource Person for the session on Excel in the Two-day Bridge Course, organized at Sri Venkateswara College on 11–12 February 2025.
2. Organized the Two-day Bridge Course, under the aegis of IQAC, Sri Venkateswara College, held on 11–12 February 2025.
3. Participated in the One-day Faculty Workshop on "Management Accounting Practical with Excel", organized by IQAC, Deen Dayal Upadhyaya College (DCAC), University of Delhi, on 21 September 2024.
4. Participated in the One-day Faculty Development Programme on "Management Accounting using Spreadsheets", organized by the Department of Commerce, Maitreyi College, University of Delhi, on 23 August 2024.
5. Participated in the Workshop on "Wellbeing and Work-Life Balance", organized by IQAC, Sri Venkateswara College, on 13 November 2024.
6. Participated in the Workshop on "Investor Awareness", organized by IQAC, Sri Venkateswara College, on 21 February 2025.

Member of Editorial Board/Learned Society:

Member of Indian Commerce Association

Dr. Neha Singhal

Dr. Neha Singhal, Assistant Professor in the Department of Commerce, actively participated in faculty development programmes and workshops during the academic session 2024–2025 to enhance her knowledge in commerce, taxation, sustainability, and digital transformation in higher education. She also contributed to undergraduate teaching by authoring four academic books covering core areas of the Commerce curriculum, including Auditing, Corporate Governance, Business Organisation and Management, and Business Research Methods.

Books Published:

1. Auditing (Semester VI, DSE), Scholar Tech Publications, July 2024. ISBN: 978-93-91720-99-5.

2. Corporate Governance (Semester VI, DSC), January 2025. ISBN: 978-93-91720-67-4.
3. Business Organisation and Management (Semester I, DSC), July 2020. ISBN: 978-93-87273-57-3.
4. Business Research Methods (Semester VI, DSE), January 2025. ISBN: 978-93-91720-56-8.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Participated in the Online Short-Term Programme on "Future-Proofing Commerce and Management Education: Embracing Digital Disruptions and Global Business Transformation" under the Malaviya Mission Teacher Training Programme (MM-TTP), organized by MM-TTC, Ramanujan College, University of Delhi, from 20–27 December 2024.
2. Participated in the Online Short-Term Programme on "Sustainable Food Development: Integrating Socio-economic, Cultural and Political Perspectives in Indian Traditions" under the Malaviya Mission Teacher Training Programme (MM-TTP), organized by MM-TTC, Ramanujan College, University of Delhi, from 14–19 October 2024.
3. Participated in the One-Day Faculty Development Programme on "Understanding Latest Changes in Income Tax", held at Deen Dayal Upadhyaya College on 30 August 2024.
4. Participated in the One-Day Workshop on E-Filing of Income Tax Returns (Excel Utility), organized by Government Degree College, Jawali, District Kangra (Himachal Pradesh), on 21 September 2024.

Dr. Mohini Yadav

Dr. Mohini Yadav, Assistant Professor in the Department of Mathematics, published three research papers in internationally reputed journals during the academic session 2024–2025. She presented research papers at both national and international conferences. Her research focuses on human resource management, mergers and acquisitions, organizational change, organizational learning, leadership, sustainability, and bibliometric analysis.

Papers Published:

1. Budhiraja, S., Thakur, M., & Yadav, M. (2024). *Leveraging Human Resource Management Practices during Mergers and Acquisitions: A Bibliometric Analysis and Future Research Agenda*. *Benchmarking: An International Journal*, 31(7), 2439–2468. <https://doi.org/10.1108/BIJ-11-2022-0696>

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Presented a research paper entitled "Charting the Nexus: A Bibliometric Analysis of Leadership Roles in Climate Change and Sustainability" during the 75th All India Commerce Conference 2024 (National), held from 18–20 October 2024.
2. Presented a research paper entitled "Unravelling the Role of Post-Merger Identification in Facilitating M&A Success" during the 84th Annual Meeting of the Academy of Management (AOM) 2024 (International), held from 9–13 August 2024.

Dr. P. Chengalrayulu

Dr. P. Chengalrayulu, Assistant Professor in the Department of Commerce, published one research paper in a Scopus-indexed journal during the academic session 2024–2025. His research focuses on socio-economic issues, rural development, and the handloom sector, with particular emphasis on the livelihood challenges faced by traditional weaving communities in Andhra Pradesh.

Paper Published:

Chengalrayulu, P., *et al.* (2025). *Problems of Handloom Weavers in Andhra Pradesh: A Special Reference to Rayalaseema Region*. Technische Sicherheit, 25(1), 153–169. (Scopus Indexed). <https://doi.org/22.8342.TSJ.2025.V25.1.0178458>

Member of Editorial Board/ Society

1. Life Member, Indian Accounting Association (DH-460).
2. Reviewer, International Journal of Innovative Research in Technology (IJIRT-ISSN:2349-6002)

DEPARTMENT OF ECONOMICS**Mr. Yogesh Malhotra**

Mr. Yogesh Malhotra, Assistant Professor in the Department of Mathematics, actively contributed to academic outreach during the academic session 2024–2025 by delivering a guest lecture at CHRIST (Deemed to be University), Delhi-NCR Campus. Through this academic collaboration, he engaged with students from another institution and promoted inter-institutional interaction in the field of Mathematics.

Other Academic Collaboration:

1. Delivered a Guest Lecture on "Set Theory and Probability" at CHRIST (Deemed to be University), Delhi-NCR Campus, on 4 October 2024. The lecture was conducted as part of an academic collaboration and faculty interaction programme to engage with students from outside Sri Venkateswara College.

DEPARTMENT OF HISTORY**Dr. Shashank Singh**

Dr. Shashank Singh, Assistant Professor in the Department of History, was awarded the Ph.D. degree during the academic session 2024–2025. He presented a research paper at the History Seminar Series organized by Azim Premji University. His research interests include the history of princely states, bureaucracy, governance, public welfare, and state formation in colonial India.

Academic Achievement:

Awarded the Doctor of Philosophy (Ph.D.) degree during the academic session 2024–2025.

Paper Presented:

1. Presented a research paper entitled "A Paradox of Power: Authority and Public Bureaucracy in the Princely Welfare States of Gwalior and Baroda" at the History Seminar Series, organized by Azim Premji University, Bhopal, Madhya Pradesh, on 24 October 2024.

DEPARTMENT OF HINDI**Dr Ram Kishore Yadav**

Dr. Ram Kishore Yadav, Assistant Professor in the Department of Hindi, published two research papers during the academic session 2024–2025. His scholarly work focuses on Hindi literature, social realism, and post-independence Hindi literary discourse, with particular emphasis on the changing socio-cultural landscape reflected in modern Hindi writings.

Papers Published:

1. Yadav, R. K. (2024). *Beti Viyog Mein Chitrit Samajik Yatharth*. Vaak Sudha, ISSN: 2347-6605.

DEPARTMENT OF MATHEMATICS

Prof. S. Budhiraja

Prof. S. Budhiraja, Professor in the Department of Mathematics, published two research papers during the academic session 2024–2025. His research focuses on human resource management, organizational behaviour, mergers and acquisitions, learning organizations, and bibliometric analysis. He contributes to interdisciplinary research through publications in reputed international journals.

Papers Published:

1. Budhiraja, S., Thakur, M., & Yadav, M. (2024). *Leveraging human resource management practices during mergers and acquisitions: A bibliometric analysis and future research agenda*. Benchmarking: An International Journal, 31(7), 2439–2468. <https://doi.org/10.1108/BIJ-11-2022-0696>

Seminars/Workshops Organized:

Served as a member of the Organizing Committee for the Workshop on “Differential Equation Models in Ecology”, organized by the Department of Mathematics, Sri Venkateswara College, University of Delhi, in collaboration with Professor R. Balakrishnan Endowment Trust, Tiruchirappalli, and The Mathematics Consortium, Pune, held from 19–21 September 2024.

Member of Learned Society:

Life Member, Indian Mathematical Society.

Dr. Nisha Bohra

Dr. Nisha Bohra, Assistant Professor in the Department of Mathematics, published three research papers in internationally reputed journals during the academic session 2024–2025. She presented a research paper at an international conference and continued her research in the areas of geometric function theory, harmonic mappings, differential subordinations, special functions, and nonlinear wave equations.

Papers Published:

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Presented a research paper entitled "Some Special Differential Subordinations" at the International Conference on Special Functions and Applications (ICSFA-2024) held at Vivekananda Global University, Jaipur, from 8–30 November 2024.

DEPARTMENT OF PHYSICS

Dr. Ram Lal Awasthi

Dr. Ram Lal Awasthi, Assistant Professor in the Department of Physics, actively participated in faculty development and advanced academic training programmes during the academic session 2024–2025. He attended a Faculty Development Programme on Quantum Computing and Post-Quantum Cryptography and a GIAN course on the Standard Model in particle physics, enhancing his expertise in emerging areas of physics and computational sciences.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Participated in the Faculty Development Programme on "Quantum Computing and Post-Quantum Cryptography", jointly organized by the Electronics and ICT Academy, National Institute of Technology Patna and the University of Delhi under the Ministry of Electronics and Information Technology (MeitY), Government of India, from 3–9 February 2025.
2. Participated in the GIAN Course on "The Standard Model: From Symmetry Principles to Experimental Tests", organized by the School of Physical Sciences, Jawaharlal Nehru University, New Delhi, from 24–28 February 2025.

Dr. Main Pal

Dr. Main Pal, Professor in the Department of Physics, received the Visiting Associateship of the Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune, and served as the Coordinator of the ICARD–IUCAA Centre during the academic session 2024–2025. He published four research papers in leading international journals in astrophysics, organized two invited departmental seminars, and established academic collaborations with researchers from premier national and international institutions. His research focuses on active galactic nuclei (AGN), relativistic jets, gamma-ray astronomy, and high-energy astrophysics.

Honours/Distinctions:

1. Awarded the Visiting Associateship of the Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune.
2. Served as Coordinator, ICARD–IUCAA Centre.

Papers Published:

Workshop/Seminar/Conference/FDP/FIP Attended / Organized:

1. Organized a departmental seminar by Dr. Hemwati Nandan, Professor and Head, Department of Physics, H.N.B. Garhwal University, who delivered a lecture on "The Raychaudhuri Equations: An Introduction" on 27 February 2025.
2. Organized a departmental seminar by Dr. T. R. Seshadri, Professor, Department of Physics, University of Delhi, who delivered a lecture on "Thermodynamics of Convection" on 28 February 2025.

Research Collaborations:

Established academic collaborations with researchers from leading institutions, including IISER Mohali, ARIES Nainital, NASA (USA), BARC Mumbai, and IUCAA Pune, to strengthen research in astrophysics and high-energy astronomy.

Dr. Raghavendra Vemuri

Dr. Raghavendra Vemuri, Assistant Professor in the Department of Physics, published one research paper in a Scopus-indexed journal and presented one research paper at an international conference during the academic session 2024–2025. His research focuses on the structural, magnetic, dielectric, and microwave absorption properties of advanced ferrite nanomaterials for electromagnetic interference (EMI) shielding and sustainable device applications.

Paper Published:

Parajuli, D., Murali, N., & Vemuri, R. (2025). *Silver-doped strontium hexaferrites: Structural, morphological, magnetic and dielectric properties*. Inorganic Chemistry Communications, 176, 114191. (Scopus Indexed). <https://doi.org/10.1016/j.inoche.2025.114191>

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Presented a research paper entitled "Structural, Magnetic, and Microwave Absorption Properties of Mn-doped Cobalt-Nickel Nano Ferrites for EMI Applications" at the 3rd International Conference on Advanced Functional Materials & Devices for Sustainable Development (AFMD-2025), organized by Atma Ram Sanatan Dharma College, University of Delhi, in hybrid mode, from 3–5 March 2025.

DEPARTMENT OF POLITICAL SCIENCE

Dr. Haokam Vaiphei

Dr. Haokam Vaiphei, Assistant Professor and Teacher-in-Charge in the Department of Political Science, made significant academic contributions during the academic session 2024–2025 by serving as a Resource Person in

multiple national workshops organized by the National Council of Educational Research and Training (NCERT), New Delhi. His expertise in electoral literacy and civic education contributed to the development of educational resources for teachers and teacher educators.

Workshop/Seminar/Conference/FDP/FIP Attended / Resource Person:

- 1.Served as Resource Person in the Three-day Planning Workshop for the Programme Development of Handbook on Electoral Literacy for Teachers and Teacher Educators, organized by NCERT, New Delhi, from 8–10 July 2024.
- 2.Served as Resource Person in the Three-day Planning Workshop for the Programme Development of Handbook on Electoral Literacy for Teachers and Teacher Educators, organized by NCERT, New Delhi, from 25–27 July 2024.
- 3.Served as Resource Person in the Three-day Planning Workshop for the Programme Development of Handbook on Electoral Literacy for Teachers and Teacher Educators, organized by NCERT, New Delhi, from 4–8 November 2024.
- 4.Served as Resource Person in the Three-day Planning Workshop for the Programme Development of Supplementary Reading Material on Women Members in the Constituent Assembly, organized by NCERT, New Delhi, from 8–10 September 2024.

Member of Learned Society:

He is also a member of Kuki Research Forum and Vaiphei Research Forum.

DEPARTMENT OF SANSKRIT

Dr. Kanwar Singh

Dr. Kanwar Singh, Associate Professor in the Department of Sanskrit, actively contributed to academic activities during the academic session 2024–2025 by participating in national and international academic events and serving as a Resource Person. His areas of interest include Sanskrit grammar, particularly the Paninian grammatical tradition, and Vedic studies.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

- 1.Participated in the National Workshop on "Learning Sentence Formation in Sanskrit", held from 10–25 October 2024, and served as a Resource Person, delivering a lecture on "Significance of Paninian Grammar."
- 2.Participated in a One-day International Seminar held on 4 March 2025, where he presented a paper on "Maharishi Dayanand's Vedbhashya Shaili."

DEPARTMENT OF TAMIL

Dr. S. Seenivasan

Dr. S. Seenivasan, Professor in the Department of Tamil, received four prestigious awards, published one book and several research articles, and presented research papers at national conferences during the academic session 2024–2025. His research primarily focuses on Tamil literature, folklore, diaspora studies, cultural history, indigenous communities, and social history. He has made significant contributions to Tamil scholarship through books, book chapters, journal publications, and invited presentations.

Awards/Honours:

- 1.Received the SAKKYA RATNA Award from The Jaibhim Academy (TJA), Namakkal, Tamil Nadu, for contributions towards the development of Sakkyia Rajakula Shramanar (Biological Buddhist), on the occasion of the 2568th Buddha Poornima, held at Tiruchirappalli on 23 May 2024.
- 2.Received the Tamil Nadu State Government Best Book Award for the book Pulampeyar Thamizharkal: Vaazhvu-Iruppu-Padaippu (Diasporic Tamils: Life, Existence and Writings) on 11 July 2024.
- 3.Received the Samaththuva Bhumi Trust Best Book Award (2024) for the book Thamizhaka Arunthathiyar: Varalarum Vazhvum (History and Life of Arunthathiyars of Tamil Nadu).

4. Received the Teacher Excellence Award–2024 from the Thamizhaga Institute of Educational Research and Advancement, Chennai, for contributions to student welfare, educational development, and social service.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

1. Presented a research paper titled "Delhi Tamils: Migration and Cultural Diffusion" at The Gandhigram Rural Institute (Deemed to be University), Gandhigram, Tamil Nadu, on 29–30 January 2024.
2. Presented a research paper titled "Traditional Food Culture of Ancient Tamils as shown in Tamil Classical Literature: With Special Reference to Millets" at the Central Institute of Indian Languages (CIIL), Government of India, Mysuru, Karnataka, on 10–11 June 2024.
3. Participated as a Delegate in World Diaspora Day 2025, organized by the Government of Tamil Nadu, held at Chennai Trade Centre, Chennai, on 11–12 January 2025.
4. Presented a research paper titled "From Oral Tradition to Written Tradition" at The Gandhigram Rural Institute (Deemed to be University), Gandhigram, Tamil Nadu, on 5–6 February 2025.

DEPARTMENT OF ZOOLOGY

Prof. Vartika Mathur

Prof. Vartika Mathur, Professor in the Department of Zoology, published fifteen research papers in internationally reputed journals during the academic session 2024–2025. She secured multiple national and international research grants as Principal Investigator, delivered invited lectures and research presentations at prestigious academic forums, and coordinated several national and international institutional collaborations. Her research focuses on plant–microbe–insect interactions, microbial biotechnology, environmental toxicology, bioremediation, endophytes, sustainable agriculture, and climate change biology.

Research Projects:

- 1.Principal Investigator of the SERB-funded project "Exploring the Biocontrol Potential of Endophytes from Commercial and Resistant Brassica juncea against Albugo candida: Insights into Biochemical, Molecular and Gene Expression Mechanisms" (2024–2027), with a sanctioned grant of ₹51,29,696.
- 2.Principal Investigator of the Mobility Grant funded by the Max Planck Society, Germany, entitled "Do Endophytes of Medicinal Plants Biosynthesize the Same Secondary Metabolites as Their Host Plants?" (2024–2027), with a grant of 15,000 Euros.
- 3.Principal Investigator of the Honda Cars India Pvt. Ltd. funded project "Investigation of Insect Behaviour on Electronic Components" (2022–2025), with a sanctioned grant of ₹13,27,160.
- 4.Indian Principal Investigator of the DST-funded project "Determination of Trail-following Pheromone and Mechanism of the Function of Gut Microbiome of Termites" (2021–2024), with a sanctioned grant of ₹9,17,400.

Workshop/Seminar/Conference/FDP/FIP Attended / Paper Presented:

- 1.Delivered an oral presentation entitled "Deciphering the Impact of Polycyclic Aromatic Hydrocarbons in Altering the Rhizosphere's Properties and Microbial Profile" at the 8th International Conference of the Indian Network for Soil Contamination Research (INSCR-2024) and 4th International Symposium on Ciliate Biology (ISCB-2024), held at the University of Delhi from 3–5 April 2024.
- 2.Delivered an invited lecture on "Air Pollution and Effect on Health" during the Interdisciplinary Refresher Course on Environmental Science, University of Jammu, on 5 December 2024.
- 3.Delivered a lecture on "Insect–Plant–Microbe Interactions" and interacted with Ph.D. scholars in Entomology at SKUAST-Kashmir during 15–17 April 2024.
- 4.Delivered an invited talk on "The Power of Scientific Services: Leveraging Paper and Case Study Writing for Enhanced Publication Impact" at the Annual Budget Meet, Goa, held during 7–9 April 2024.

National/International MoUs and Academic Collaborations:

Prof. Mathur served as Coordinator/Convener for several institutional collaborations, including MoUs between Sri Venkateswara College and Pherobank Technologies Pvt. Ltd., AIIMS, New Delhi, Czech University of Life Sciences Prague, P.E.S.'s Modern College of Arts, Science & Commerce, K. J. Somaiya College of Science & Commerce, Institute of Bio-organic Chemistry, Academy of Sciences, Tashkent (Uzbekistan), and Ferdowsi University of Mashhad (Iran).
