BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	The Department of Sociology in association with Eco Club SVC, and in collaboration with FOD (Family of Disabled), New Delhi, successfully organised a Newspaper Collection and Upcycling Drive from 3rd to 9th October, 2025.
OBJECTIVES	The objectives of the outreach event were: 1. To create a sense of awareness about recycling papers. 2. To create knowledge about paper-waste management 3. To generate awareness about sustainability through the popularization of the idea of recycling and upcycling.

	4. To contribute towards the empowerment of individuals from the social community through acts of sustainability.
METHODOLOGY	The drive was divided into two parts: 1. Collecting the newspapers, that required systematically organising and placing a large sized Cardboard in the college foyer, where students, teachers and other staffs donated their share of newspapers for upcycling purpose. 2. Carrying the newspapers to the collaborating organization FOD, where differently-abled people work as artisans to transform these newspapers into pencils and other art materials.
OUTCOMES	Many students, teachers, and members of the non-teaching staff successfully participated in this drive by donating newspapers, which resulted in creation of recycled paper pencils by the artisans who work under the FOD - Family of Disabled NGO. Further on, few pencils were purchased from them and distributed among students and all the contributors who managed this event successfully.

Event Report:

To encourage social responsibility and environmental sustainability, the Department of Sociology, at Sri Venkateswara College (University of Delhi) organized a **'Newspaper Collection and Upcycling Drive'** in association with Eco Club, SVC, from 3rd to 9th October, 2025.The drive was carried out in collaboration with **'Family of Disabled'** (FOD), an NGO in Delhi that empowers people with disabilities by involving them in the production of environmentally friendly products using recycled paper, provided support for the project.

Established in 1992, Family of Disabled (FOD) strives to provide opportunities, platforms and the means to children and adults with disabilities to help them continue their education and earn their livelihood with dignity and be economically independent and self-reliant. Their programmes though centred around Delhi NCR have supported over 50,000 individuals pan India, leading to improved quality of life and assisting them in becoming self-reliant. At UNNATI, FOD's Rehabilitation center, one of our objectives is to enable disabled people to earn their livelihoods by providing them vocational training and in some cases connecting them with patrons who may be interested in purchasing their products.

Students and faculty members from various departments, along with other staff actively participated in the drive, which resulted in the collection of 95 kilograms of newspapers. The gathered newspapers were given to FOD, for the artisan of the organization to turn them into recycled paper pencils. To further support their endeavours, some pencils were purchased and to spread the message of sustainability, these were given to students and all the contributors who made the event possible. The Department of Sociology, SVC, and Eco Club, SVC, hope that this initiative has instilled a sense of awareness among students, of making sustainable choices and sustainable interventions in our lives, and looks forward to engaging in more such initiatives in the near future, to contribute towards social empowerment and environmental awareness.
