Report

On 21st August, the E-Cell conducted an informative orientation session designed to offer a comprehensive introduction on 21 August 2026 in Seminar Hall, welcoming the newly admitted students to the college and to society. This session aimed to immerse students in the society's core values, initiatives, and opportunities for personal and professional development. The programme was attended by 101 freshers and began with a formal introduction, followed by address from Dr. Mohini Yadav (Convener), welcoming the students to their new journey.

The orientation included engaging activities and interactive games, fostering a sense of camaraderie and teamwork among participants. These activities were carefully designed to enhance communication skills and promote collaboration among the members.

Overall, these events not only equipped students with valuable knowledge about ASCEND but also inspired them to become active participants in society, paving the way for their future involvement and success within the organization.

The programme concluded with a Game Session, in which commerce-related questions were put to the freshers, with Vyra Energy drink awarded to the winners, followed by a Vote of Thanks. The orientation was well-received and left the freshers with a clear sense of welcome, connection, and belonging as they began their year with ASCEND - The Entrepreneurship Cell.

As part of the orientation programme, a screening of the first episode of the financial web series Scam 1992 was organised in the seminar hall for the freshers. The screening aimed to introduce students to the world of financial markets, securities, and financial frauds through an engaging and informative medium.

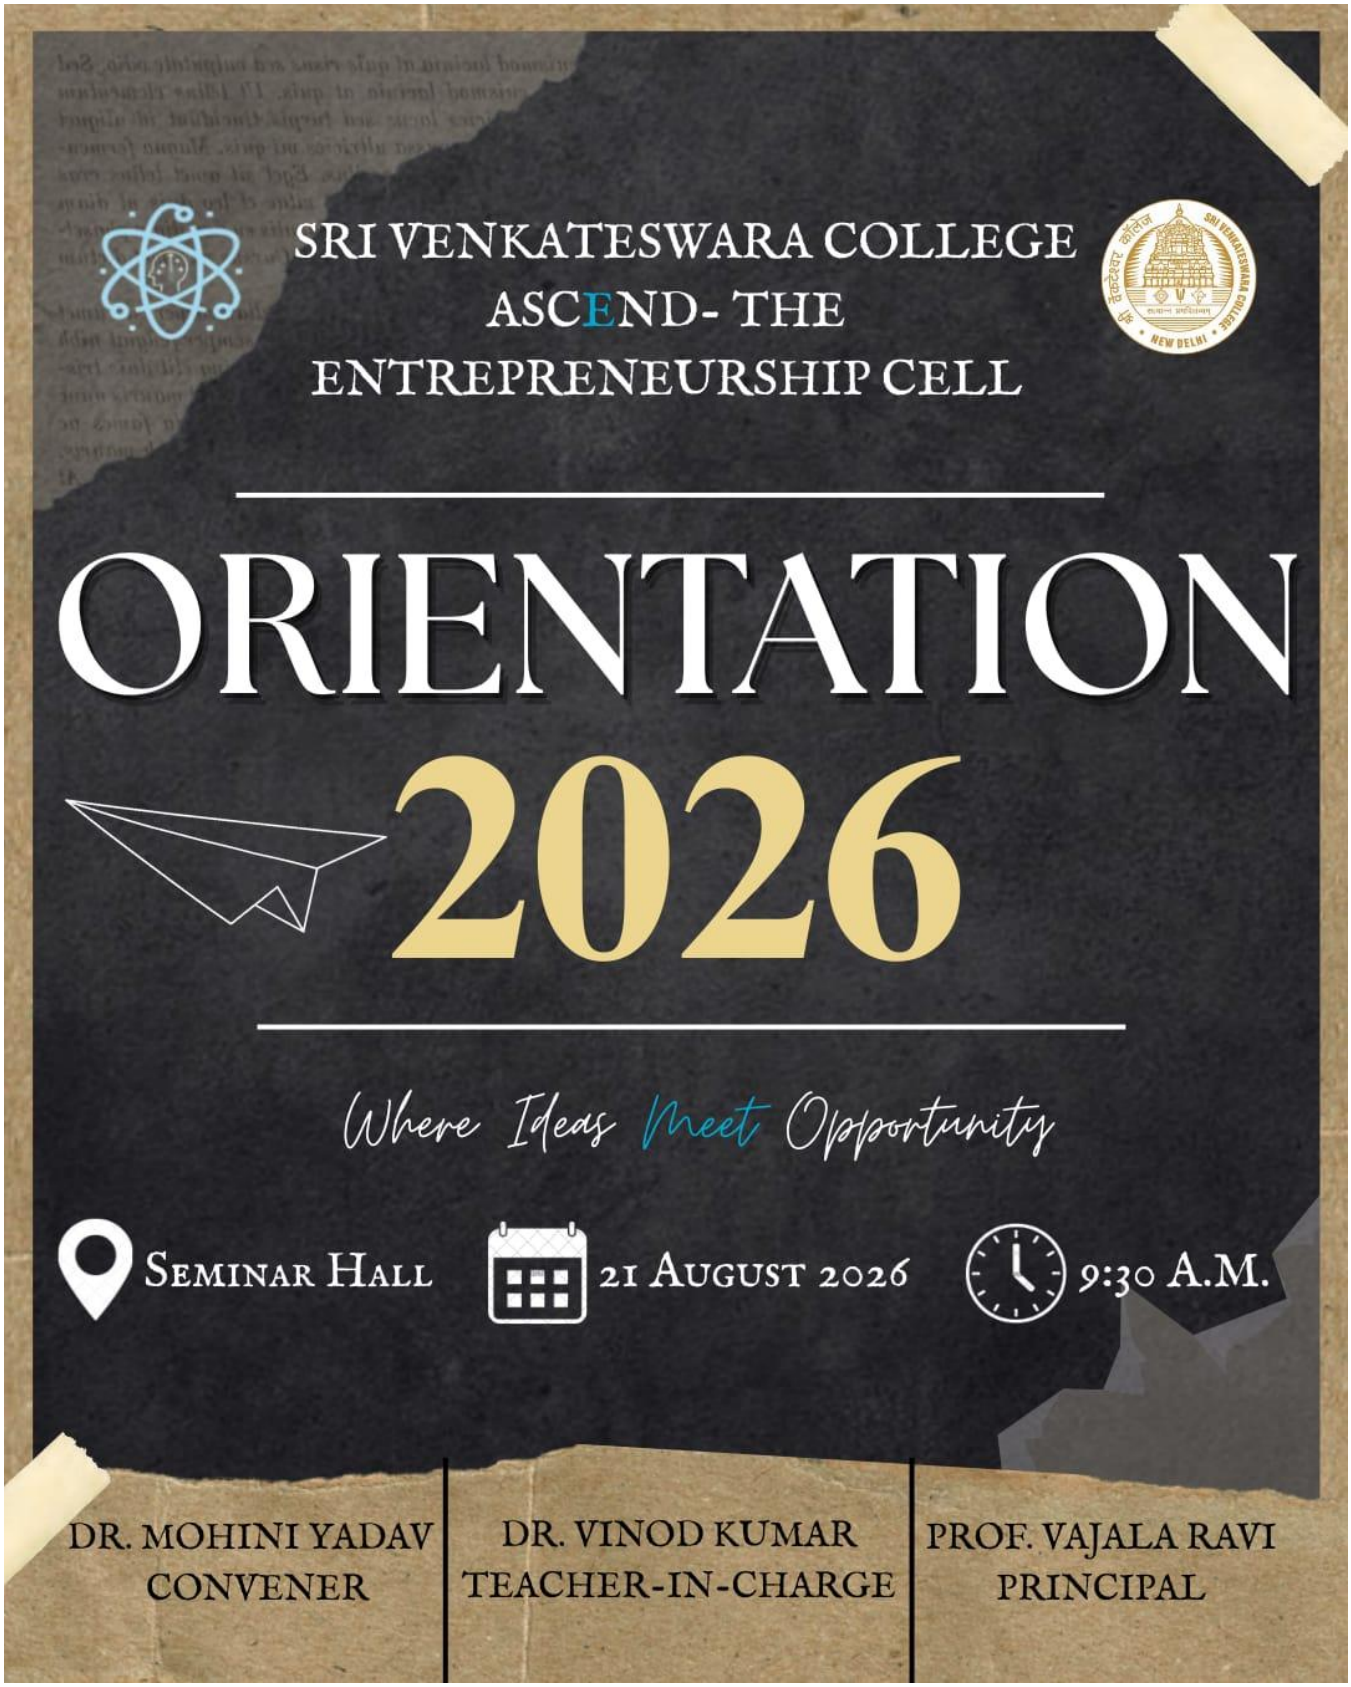

Following the screening, an interactive quiz session was conducted based on the episode. Freshers were asked thought-provoking and knowledge-oriented questions to assess their understanding of the content and encourage active participation. The session witnessed enthusiastic involvement, with students eagerly answering the questions and sharing their understanding of the concepts presented in the episode. To appreciate and encourage their participation, chocolates were given as gifts to students who answered the questions correctly.

The activity made the orientation session more interactive and enjoyable while promoting financial awareness, curiosity, and learning among the freshers.
