BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	Orientation Session for the Batch of 2026–30 (Academic Session 2026–27)
OBJECTIVES	• To formally welcome the newly admitted Batch of 2026–30 to the Department of Mathematics. • To familiarise students with the department and its academic environment. • To facilitate interaction between the newly admitted students and faculty members. • To provide students with an initial understanding of their academic journey and departmental expectations. • To encourage students to actively participate in academic and co-curricular opportunities at the college.
METHODOLOGY	The Department of Mathematics, Sri Venkateswara College, University of Delhi, organised an Orientation Session for the newly admitted Batch of 2026–30 on 29 July 2026 for the academic session 2026–27. The programme was conducted to formally welcome the incoming students and introduce them to the academic environment of the Department of Mathematics. The orientation session commenced with a welcome to the newly admitted students of the Batch of 2026–30. Faculty members of the Department of Mathematics interacted with the students and introduced them to the departmental academic environment. The session focused on helping the students understand the nature of their undergraduate journey and become comfortable with their new surroundings. The students also had an opportunity to listen to and interact with the faculty members, seek initial guidance and familiarise themselves with the department. The programme was conducted in an open and interactive classroom setting, allowing students to engage with the faculty and fellow students. The session concluded with a positive interaction between the students and faculty members, setting a welcoming tone for the new academic session.
INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	N/A

OUTCOMES	The orientation programme provided the newly admitted students with a welcoming introduction to the Department of Mathematics and its faculty members. It helped students become more familiar with the departmental environment and encouraged interaction at the beginning of their college journey. The programme also created an initial platform for students to understand the academic setting and participate more confidently in departmental activities. The Orientation Session for the Batch of 2026–30 successfully marked the beginning of the students' academic journey in the Department of Mathematics. The interaction between students and faculty members created a warm and informative environment and provided the new batch with a positive introduction to the department and the academic session 2026–27.
