BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	Classroom to Campus Initiative

OBJECTIVES	• To introduce students of Classes XI and XII to various career opportunities and higher education pathways available after school. • To provide guidance regarding relevant entrance examinations, competitive examinations, and the eligibility requirements associated with different academic and professional fields. • To help students understand future academic prospects and make informed decisions about their career choices according to their interests and aspirations. • To create an interactive platform where students could freely ask questions, clarify doubts, and discuss their career-related concerns. • To establish continued communication with students through dedicated groups, enabling them to seek guidance and resolve queries even after the completion of the session.

METHODOLOGY	● Interactive Career-Guidance Session: Conducted an interactive session with students of Classes XI and XII to discuss career planning, higher education opportunities, and possible pathways after completing school. ● Information on Entrance Examinations: Explained relevant entrance and competitive examinations, their basic requirements, and the academic and professional opportunities they may lead to. ● Discussion on Future Prospects: Guided students regarding different educational streams, career options, and future prospects to help them explore opportunities suited to their interests.
INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	N/A
OUTCOMES	● Increased Career Awareness: Students gained information about various career opportunities, higher education options, and possible pathways after Classes XI and XII. ● Better Understanding of Examinations: Students became more familiar with relevant entrance examinations, their requirements, and the opportunities associated with them. ● Clarification of Student Queries: The interactive discussion provided students with an opportunity to clarify doubts and gain a better understanding of their future academic choices. ● Encouraged Informed Decision-Making: The session encouraged students to explore different career options and consider their interests while planning their future. ● Continued Access to Guidance: The formation of student groups established a channel for further communication, allowing students to raise additional queries and seek guidance beyond the event.

ACTIVITY REPORT

The inaugural session of **"Classroom to Campus" Mentoring Programme** was organized as a community outreach initiative with the aim of guiding students of Classes XI and XII about their future academic pursuits and career opportunities. The program was designed to bridge the gap between school education and higher education by creating awareness about various academic disciplines, career pathways and opportunities available after completing school. It aimed to help students make informed decisions regarding their future by providing them with valuable insights into higher education and the wide range of professional possibilities.

The inaugural session commenced with an address by the Principal, Prof. Vajala Ravi, who highlighted the vision and objectives of the college and introduced the students to the institution, its academic environment and the mentoring program. He emphasized the importance of higher education in shaping students' futures and encouraged them to explore the opportunities available at the college.

Further, Madam Pooja Gokhale Sinha delivered an informative session on the career scope in the field of Sciences. She discussed the diverse career opportunities available to science students and highlighted the importance of pursuing higher studies in various scientific disciplines. She also familiarized the students with different academic pathways, specialized courses and future prospects in the science stream.

Overall, the inaugural session served as an informative platform for school students to interact, learn and gain a better understanding of the transition from classroom learning to campus life. The initiative reflected the institution's commitment towards community engagement, student mentoring and promoting awareness about higher education and career development
