BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	Classroom to Campus Initiative
OBJECTIVES	• To introduce students of Classes XI and XII to various career opportunities and higher education pathways available after school. • To provide guidance regarding relevant entrance examinations, competitive examinations, and the eligibility requirements associated with different academic and professional fields. • To help students understand future academic prospects and make informed decisions about their career choices according to their interests and aspirations.

	• To create an interactive platform where students could freely ask questions, clarify doubts, and discuss their career-related concerns. • To establish continued communication with students through dedicated groups, enabling them to seek guidance and resolve queries even after the completion of the session.

METHODOLOGY	● Interactive Career-Guidance Session: Conducted an interactive session with students of Classes XI and XII to discuss career planning, higher education opportunities, and possible pathways after completing school. ● Information on Entrance Examinations: Explained relevant entrance and competitive examinations, their basic requirements, and the academic and professional opportunities they may lead to. ● Discussion on Future Prospects: Guided students regarding different educational streams, career options, and future prospects to help them explore opportunities suited to their interests. ● Question-and-Answer Session: Encouraged students to raise questions and express their doubts about examinations, admissions, courses, and career planning. Their queries were addressed through direct discussion. ● Formation of Student Groups: Created groups to maintain communication with students after the event, allowing them to ask further questions and receive continued guidance even when in-person interaction was not possible.
INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	N/A

OUTCOMES	● Increased Career Awareness: Students gained information about various career opportunities, higher education options, and possible pathways after Classes XI and XII. ● Better Understanding of Examinations: Students became more familiar with relevant entrance examinations, their requirements, and the opportunities associated with them. ● Clarification of Student Queries: The interactive discussion provided students with an opportunity to clarify doubts and gain a better understanding of their future academic choices. ● Encouraged Informed Decision-Making: The session encouraged students to explore different career options and consider their interests while planning their future. ● Continued Access to Guidance: The formation of student groups established a channel for further communication, allowing students to raise additional queries and seek guidance beyond the event.

ACTIVITY REPORT

The School to Campus Initiative was organized at Navyug School, Sarojini Nagar, on 16 October 2026, with the aim of guiding students of Classes XI and XII regarding their future academic and career opportunities. The initiative focused on bridging the gap between school education and higher education by familiarizing students with different career pathways and the opportunities available after completing school.

During the session, the student volunteers interacted with the school students and provided guidance on various career options, higher education opportunities, and relevant entrance and competitive examinations. They explained the basic requirements of different examinations and discussed the future academic and professional prospects associated with various fields. The session aimed to help students explore their interests and develop a better understanding of the options available for their future.

An interactive question-and-answer session was conducted to encourage students to openly discuss their doubts and concerns. Students raised queries related to career selection, entrance examinations, admission procedures, and future opportunities, which were addressed through discussions and explanations. This interaction created an engaging environment in which students could seek clarification and gain useful insights into planning their academic journeys.

To ensure continued support beyond the event, groups were subsequently created to maintain communication with the students and provide them with a platform to ask further questions. This initiative enabled the possibility of continued guidance even when in-person interaction was not feasible. Overall, the School to Campus Initiative served as a meaningful step towards increasing career awareness among school students and encouraging them to make informed decisions about their future education and professional aspirations.
